Book Summary,CREATESPACE INDEPENDENT PUB,2016-07-26 The Power of Now A Guide to Spiritual Enlightenment by
Eckhart Tolle Book Summary Eckhart Tolle is a spiritual teacher who does not associate with any singular religion Despite
his confidence in his work on Enlightenment we must not think of him as some prophet sent to us with these teachings He
was merely a man who was looking for a meaning just like the rest of us Although Tolle states that we should not look back at
the past and allow it to shape us he does relive his past in his introduction to share with us how he became so Enlightened
He questioned just like a lot of us what is there for me It was this question that made him realize his thinking and why he
would think it It was then that he decided to focus on the thinking watching it and not judging but try to change it Through
his own transforming experience he has brought us a way to transform ourselves To stop thinking what is there for me to
stop thinking in general and realize what we truly have the present The Now Here Is A Preview Of What You ll Learn You Are
