*The Worlds of George RR Martin* Tom Huddleston, 2024-09-24 In the many realms of modern fantasy there is only one true King and his name is George Raymond Richard Martin With A Song of Ice and Fire Martin has created a world on a scale almost unrivalled by any other single writer Approaching two million words and still evolving this genuinely epic series of novels with its deeply interlocking narratives finely crafted drama and enormous range of characters is a creation of extraordinary breadth So how did a writer best known for short stories come to craft such a gigantic sequence of novels and what is the key to their extraordinary success What sources historical literary and personal did Martin draw upon in the writing and what inspiration did they give him The Worlds of George R R Martin is an in depth bringing together of the enormous range of inspirations behind Martin s work from historical borrowings as wide ranging as the Roman empire the Wars of the Roses and the Mongol conquests to diverse literary and mythological texts and Martin s own family experience and biography

All Men Must Die Carolyne Larrington, 2021-01-14 All men must die or Valar Morghulis as the traditional Essos greeting is rendered in High Valyrian And die they do in prodigious numbers in imaginatively varied and gruesome ways and often in terror within the viciously unpredictable world that is HBO s sensational evocation of Game of Thrones Epic in scope and in imaginative breadth the stories that are brought to life tell of the dramatic rise and fall of nations the brutal sweeping away of old orders and the advent of new autarchs in the eternal quest for dominion Yet as this book reveals many potent and intimate narratives of love and passion can be found within these grand landscapes of heroism honour and death They focus on strong relationships between women and family as well as among the anti heroes the cripples bastards and broken things In this vital follow up to Winter Is Coming 2015 acclaimed medievalist Carolyne Larrington explores themes of power blood kin lust and sex in order to draw entirely fresh meanings out of the show of the century

*Memory and Medievalism in George RR Martin and Game of Thrones* Carolyne Larrington, Anna Czarnowus, 2022-08-11 This book explores the connections between history and fantasy in George RR Martin s immensely popular book series A Song of Ice and Fire and the international TV sensation HBO TV s Game of Thrones Acknowledging the final season s foregrounding of the cultural centrality of history truth and memory in the confrontation between Bran and the Night King the volume takes full account of the TV show s conclusion in its multiple readings across from medieval history its institutions and practices as depicted in the books to the show s own particular medievalism The topics under discussion include the treatment of the historical phenomena of chivalry tournaments dreams models of education and the supernatural and the different ways in which these are mediated in Martin s books and the TV show The collection also includes a new study of one of Martin s key sources Maurice Druon s Les Rois Maudits in depth explorations of major characters in their medieval contexts and provocative reflections on the show s controversial handling of gender and power politics Written by an international team of medieval scholars historians literary and cultural experts bringing their own unique perspectives to the multiple societies

belief systems and customs of the Game of Thrones universe Memory and Medievalism in George RR Martin and Game of Thrones offers original and sparky insights into the world building of books and show *Medievalism in Play* Karl Fugelso,2023 Though manifestations of play represent a burgeoning subject area in the study of post medieval responses to the Middle Ages they have not always received the respect and attention they deserve This volume seeks to correct those deficiencies Though manifestations of play represent a burgeoning subject area in the study of post medieval responses to the Middle Ages they have not always received the respect and attention they deserve This volume seeks to correct those deficiencies via six essays that directly address how the Middle Ages have been put in play with regard to Alice Munro s 1977 short story The Beggar Maid David Lowery s 2021 film The Green Knight medievalist archaisms in Japanese video games runic play in Norse themed digital games medievalist managerialism in the 2020 video game Crusader Kings III and neomedieval architectural praxis in the 2014 video game Stronghold Crusader II The approaches and conclusions of those essays are then tested in the second section s six essays as they examine muscular medievalism in George R R Martin s 1996 novel A Game of Thrones the queering of the Arthurian romance pattern in the 2018 20 television show She Ra and the Princesses of Power the interspecies embodiment of disability in the 2010 film How to Train Your Dragon late nineteenth and early twentieth century nationalism in Irish reimaginings of the Fenian Cycle post bellum medievalism in poetry of the Confederacy and the medievalist presentation of Israeli Prime Minister Benjamin Netanyahu s 2020 21 Covid inoculation

**Fictional television and American politics** Jack Holland,2019-07-19 This book explores the relationship between fictional television and American world politics in the period from 9 11 through to the presidency of Donald J Trump This period comprises a second golden age for fictional TV The book therefore explores some of the best TV of all time across two decades of heightened political controversy *Fantasy Aesthetics* Hans Rudolf Velten,Joseph Imorde,2024-07-08 Fantasy novels are products of popular culture They owe their popularity also to the visualization of medievalist artifacts on book covers and designs illustrations maps and marketing Castles on towering cliffs cathedral like architecture armored heroes and enchanting fairies fierce dragons and mages follow mythical archetypes and develop pictorial aesthetics of fantasy completed by gothic fonts maps and page layout that refer to medieval manuscripts and chronicles The contributors to this volume explore the patterns and paradigms of a specific medievalist iconography and book design of fantasy which can be traced from the 19th century to the present *The Vikings Reimagined* Tom Birkett,Roderick Dale,2020-01-20 *The Vikings Reimagined* explores the changing perception of Norse and Viking cultures across different cultural forms and the complex legacy of the Vikings in the present day Bringing together experts in literature history and heritage engagement this highly interdisciplinary collection aims to reconsider the impact of the discipline of Old Norse Viking Studies outside the academy and to broaden our understanding of the ways in which the material and textual remains of the Viking Age are given new meanings in the present The diverse collection draws attention to the many roles that the Vikings play across contemporary

culture from the importance of Viking tourism to the role of Norse sub cultures in the formation of local and international identities Together these collected essays challenge the academy to rethink its engagement with popular reiterations of the Vikings and to reassess the position afforded to reception within the discipline      **From Page to Screen / Vom Buch zum Film** Manuel Almagro-Jiménez, Eva Parra-Membrives, 2020-10-05 For a long time now women have struggled for the vindication of their rights and for their visibility This struggle may seem a story of success maybe not complete or equal for all women but at least one which slowly but surely carries with it the promise of equality for all women However a closer look reveals that in various fields of culture the representation of women frequently undergoes a manipulation which makes the image of women lose the intention initially attempted This is often the case with adaptations of literary texts to the screen when the initial literary message is changed because of for example marketing demands or some ideological stance Rarely do we find the opposite case where the indifferent or emasculated original female characters are turned into guardians and or apologists of feminine power The present volume focuses precisely on the way in which the image of women is modified in films and TV series when compared with the original literary texts      **Game of Thrones - A View from the Humanities Vol. 1** Alfonso Álvarez-Ossorio, Fernando Lozano, Rosario Moreno Soldevila, Cristina Rosillo-Lopez, 2023-03-20 This book reflects on time space and culture in the Game of Thrones universe It analyses both the novels and the TV series from a multidisciplinary perspective ultimately aimed at highlighting the complexity eclecticism and diversity that characterises Martin s world The book is divided into three thematic sections The first section focuses on space both the urban and natural environment and the interaction between human beings and their surroundings The second section follows different yet complementary approaches to Game of Thrones from an aesthetic and cultural perspective The final section addresses the linguistic and translation implications of the Game of Thrones universe as well as its didactic uses This book is paired with a second volume that focuses on the characters that populate Martin s universe as well as on one of the ways in which they often interact violence and warfare from the same multidisciplinary perspective      *e-Pedia: Game of Thrones (season 6)* Wikipedia Contributors, 2017-02-22 This carefully crafted ebook is formatted for your eReader with a functional and detailed table of contents The sixth season of the fantasy drama television series Game of Thrones premiered on HBO on April 24 2016 and concluded on June 26 2016 It consists of ten episodes each of approximately 50 60 minutes largely of original content not found in George R R Martin s A Song of Ice and Fire series Some material is adapted from the upcoming sixth novel The Winds of Winter and the fourth and fifth novels A Feast for Crows and A Dance with Dragons The series was adapted for television by David Benioff and D B Weiss HBO ordered the season on April 8 2014 together with the fifth season which began filming in July 2015 primarily in Northern Ireland Spain Croatia Iceland and Canada Each episode cost over 10 million This book has been derived from Wikipedia it contains the entire text of the title Wikipedia article the entire text of all the 593 related linked Wikipedia articles to the title article This book does not contain illustrations e Pedia an imprint of e

R. Martin,2019-10-01 The second volume in a four part full color graphic novel adaptation of the second book in George R R Martin s landmark A Song of Ice and Fire series the inspiration for HBO s Game of Thrones As chaos grips Westeros a flaming red comet continues to burn a crimson path across the sky Some see this fiery herald as a sign of their impending victory Others see it as a mark of the blood and terror that will soon engulf this divided kingdom But one thing is certain None of the six contenders who seek either the Iron Throne or the lands their ancestors once held as kings are willing to back down And as factions scatter or come together there are many witnesses to the unrest that is to come Arya Stark finds herself in the heart of enemy territory at Harrenhal while her mother is trapped between two brothers battling each other for their dead brother s throne In the heart of King s Landing Tyrion is busy ferreting out traitors as the Hand of the King while Jon is beginning to comprehend the lawlessness of life beyond the Wall New friends arrive in Winterfell for Bran a forgotten son finds life in the Iron Islands quite different than he remembered and the Mother of Dragons at last arrives in the fabled city of Qarth But even as these would be kings draw their lines of battle it is the people of Westeros who will most suffer for their ambitions For when kings clash it is the commoners who bear the greatest cost **Violence in Popular Culture** Laura L. Finley,2018-11-09 A comprehensive resource this book reviews current and historical examples of violence in film television radio music music videos video games and novels Despite decades of attention and various attempts to enact legislation that limits violence in American popular culture it remains ubiquitous across films television radio music music videos video games and popular fiction Studies have shown that programs marketed to children are often remarkably violent and that viewing or otherwise consuming such violence has numerous negative effects on children s psychological health This book sheds light on the scholarship related to violence in popular culture and compares historical and current examples analyzing popular shows such as Game of Thrones video games such as Mortal Kombat young adult fiction including the trilogy The Hunger Games and more Not only does Violence in American Popular Culture provide a comprehensive review of the research about the effects of violence in media but it also offers detailed assessments of violent content in various expressions of popular culture In addition it invites readers to compare violence in American popular culture with that globally via entries on violence in popular culture outside the United States An appendix of additional resources and primary sources gives readers further tools for deepening their understanding of this complex and controversial issue **Frontiers**
