Research for Educational Change Jill Adler, Anna Sfard, 2016-06-17 Research for Educational Change presents ways in which educational research can fulfil its commitments to educational practice Focussing its discussion within the context of mathematics education it argues that while research generated insights can have beneficial effects on learning and teaching the question of how these effects are to be generated and sustained is far from evident The question of how to turn research into educational improvement is discussed here in the context of learning and teaching hindered by poverty and social injustice In the first part of the book four teams of researchers use different methodologies while analysing the same corpus of data collected in a South African mathematics classroom In the second part each of these teams makes a specific proposal about what can be done and how so that its research generated insights have a tangible beneficial impact on what is happening in mathematical classrooms Combining two discourses that of researchers speaking to one another and that of researchers communicating their insights to those responsible for educational practice the book deals with the perennial question of communication between those who study educational processes and those who are directly responsible for teacher education educational research and classroom practices This book will be key reading for postgraduates researchers and academics in education and particularly in the areas of mathematics education education research teacher education and classroom practice It will also appeal to teacher educators practitioners and undergraduate students interested in educational research

Masixhase abantwana bakwazi ukufunda nokubhala - Let us enable our children to read and write Stofile Sindiswa & Nomlomo Vuyokazi ,Nkomo, Sibhekinkosi, Anna, Magxala, Xoliswa, Patience, Mawela, Rethabile, Mudzielwana, Ndileleni, Magadla, Noluthando, Nondalana, Nomfundo, Kosi, Tembisa, Foncha, J.W., Linake, M.A. & Abongdia, J.A., Sigcau, Eurika, Nompucuko, Kemende, Wunseh, Quinta, McCarthy, Karen, Gxowa-Dlayedwa, Ntombizodwa, 2020-03-31 This book advances knowledge and scholarship on reading and writing by applying both theoretical and practical means of enhancing early literacy development at school level and in our communities The uniqueness of the book lies in its inclusive approach to accommodate a variety of readers including language and literacy teachers practitioners and scholars It uses two languages namely English and isiXhosa to address some of the critical issues on literacy teaching and learning and to disseminate knowledge to a diverse readership including parents students teachers and other relevant stakeholders who are committed to making a difference in the teaching and learning of literacy in different languages The aim is to transform and enrich discourse on language and literacy development which is predominantly in English and does not include African languages that are also used as the main languages of learning and teaching in the Foundation Phase Grades R 3

International Mother Language Day: Enhancing Home Language Development from a Young Age Natalia Meir, He Sun, Vicky Chondrogianni, 2023-10-05

Responsible Design in Applied Linguistics: Theory and Practice Albert Weideman,2016-09-05 No mere history of applied linguistics this volume presents a framework for interpreting the development of applied linguistics as a discipline It offers a

systematic account of how applied linguistics has developed articulating the philosophical premises that have informed both its emergence and its subsequent growth It asks questions that are seldom asked Where does the discipline derive from Where is it heading What directions has it already taken Which direction should it embrace in future What is the relative worth of all of the variation in design and methods that have been developed by applied linguists In defining applied linguistics as a discipline of design it takes us beyond the diffuse and sometimes contradictory conventional definitions of the field The framework of design principles it proposes not only helps to explain the historical development of applied linguistics but also provides a potential justification for solutions to language problems It presents us with nothing less than an emerging theory of applied linguistics Understanding Language and Literacy Development Xiao-lei Wang, 2014-08-05

Understanding Language and Literacy Development Diverse Learners in the Classroom offers effective supporting strategies to address the cultural and linguistic diversity of students in contemporary classrooms Discusses learners with different linguistic abilities infancy early childhood middle childhood and adolescence by suggesting effective ways to reach them based on their strengths and needs Emphasizes language and literacy supporting strategies in a variety of everyday classroom settings Includes activities and questions to motivate readers to think and develop their own perspectives on language and literacy development Considers a variety of different language acquisition experiences including monolingual multilingual and language impairment Discusses different types of literacies including digital and hypertext Connects language and literacy development to identity and motivation to contextualize learning styles for pre service teachers Supported by a companion website that includes additional resources such as PowerPoint presentations by chapter and a summary of relevant information from the Common Core K 12 English Language Arts Standards *Transformative Pedagogical Perspectives on Home Language Use in Classrooms* Jules, Janice E., Belgrave, Korah L., 2020-09-25

Linguists researchers and other practitioners in language education acknowledge that the resolution of language problems associated with breaking down language and cultural barriers that hinder the growth of learners self identities and national identities is ongoing In fact even with decades of research in home language use in the classroom there are still classrooms worldwide where learners are deprived of the opportunity of building their self esteem confidence and autonomy by communicating with their native language The global nature of communication requires speakers to use all the languages in their repertoire effectively thus reinforcing the need to encourage home language use in classrooms *Transformative Pedagogical Perspectives on Home Language Use in Classrooms* is a cutting edge research publication on the effective use of home language in the classroom that emphasizes the significance of this activity to the success of the overall language development of the learner Particular attention is given to transformative pedagogy and the provision of valuable insights into how the teacher can guide and assist learners in the development of critical thinking skills In addition the book provides content that enables practitioners in language education and parents to explore their roles in assisting children in breaking

down the language and cultural barriers that hinder the growth of their self identity and national identity Highlighting topics such as engineering education cultural responsiveness and transformative pedagogy this book is essential for linguists academicians education professionals curriculum designers policymakers administrators instructional designers researchers and students

The Cambridge Handbook of Bilingualism Annick De Houwer, Lourdes Ortega, 2018-11-15 The ability to speak two or more languages is a pervasive human experience A comprehensive survey of research into bilingualism throughout life from the first six years to late adulthood this is an ideal work of reference for students and researchers as well as anyone interested in bilingualism

Multimodality in English Language Learning Sophia Diamantopoulou, Sigrid Ørevik, 2021-12-31 This edited volume provides research based knowledge on the use production and assessment of multimodal texts in the teaching and learning of English as an Additional Language EAL The book reflects growing interest in research on EAL with increasing numbers of learners of English worldwide and the growing relevance of EAL to numerous education systems The volume examines different aspects of English from a multimodal perspective showcasing empirical research from across five continents and all three levels of education Applying frameworks based on Multimodal Social Semiotics and Systemic Functional Linguistics chapters focus on the use and affordances of multimodal texts in pedagogy literature culture text production assessment and curriculum development connected to EAL Directing attention to the significance of modes beyond speech and writing in EAL the volume provides a wide range of perspectives and experiences that can be applied more widely and inspire other practices in the global and diverse field of EAL teaching learning and assessment This collection will be of interest to scholars in multimodality language education and teacher education

The Oxford Handbook of Persian Linguistics Anousha Sedighi, Pouneh Shabani-Jadidi, 2018-08-02 This handbook offers a comprehensive overview of the field of Persian linguistics discusses its development and captures critical accounts of cutting edge research within its major subfields as well as outlining current debates and suggesting productive lines of future research Leading scholars in the major subfields of Persian linguistics examine a range of topics split into six thematic parts Following a detailed introduction from the editors the volume begins by placing Persian in its historical and typological context in Part I Chapters in Part II examine topics relating to phonetics and phonology while Part III looks at approaches to and features of Persian syntax The fourth part of the volume explores morphology and lexicography as well as the work of the Academy of Persian Language and Literature Part V language and people covers topics such as language contact and teaching Persian as a foreign language while the final part examines psycho neuro and computational linguistics The volume will be an essential resource for all scholars with an interest in Persian language and linguistics

Linguistic Landscapes in South-East Asia Seyed Hadi Mirvahedi, 2022-05-17 Anchored within current issues and debates in the field of Linguistic Landscape LL scholarship this edited volume is concerned with politics of language and the semiotic construction of space in multilingual and multi ethnic Asian countries Spanning Malaysia Singapore Vietnam Indonesia the Philippines Hong Kong

Taiwan and China the chapters explore how different individuals and collectivities use semiotic resources in different spaces schools airports streets and shops as well as online platforms to reinforce or contest existing social structures bearing strong implications for language maintenance and cultural revitalization construction of ethnolinguistic and national identities and socioeconomic mobility Part I looks into how globalization and its accompanying forces and influences such as the importance of English in socioeconomic mobility come into contact with local Asian cultures and languages Part II examines minority languages demographically and socio politically established in the countries shedding light on the role of LL that plays in both their minorization and revitalization processes Part III investigates how LL is utilized as a site for constructing identities to pursue socioeconomic political and cultural goals It is within this perspective that the presence and salience of English in the LL of the countries along with the use of the Asian languages is analyzed and understood shedding light on how Asian heritage languages and cultures are preserved and or certain identities in the times of political unrest or economic development are expressed This fascinating insight into linguistic landscapes in Asia will be of interest to researchers students and policy makers in sociolinguistics and applied linguistics anywhere in the world

Global Literacy in Local Learning Contexts Mary Faith Mount-Cors, 2016-06-10 Based on qualitative research focused on literacy and health from three schools in coastal Kenya this book examines country school and family contexts to develop a dual generation maternal child model for literacy learning and to connect local specific phenomena with national and international policy arenas In contrast to international development organizations educational policies and programs that tend to ignore literacy as a social practice within diverse contexts the author unpacks the relationship between education and health and the role of family and mothers in particular highlighting how mothers are key actors in children s literacy development and health outcomes
