Hovde,Adriana Harmeyer,Neal Harmeyer,2019-05-06 *Purdue at 150* A Visual History of Student Life by David M Hovde Adriana Harmeyer Neal Harmeyer and Sammie L Morris tells Purdue s story through rare images artifacts and words Authors culled decades of student papers from scrapbooks yearbooks letters and newspapers to historical photographs and memorabilia preserved in the Purdue University Libraries Virginia Kelly Karnes Archives and Special Collections Many of the images and artifacts included have never been published presenting a unique history of the land grant university from the student perspective *Purdue at 150* is organized by decade presenting a scrapbook like experience of viewing over 400 rare photographs documents and artifacts alongside critical contextual information Each chapter

provides a decadal historical sketch of Purdue University offering insight into the institution's unique culture while incorporating campus responses to major national events such as world wars and the Great Depression. Spotlight sections highlight Purdue firsts including the first graduates of programs, the growth and development of the international student population at Purdue, the creation of significant student organizations, and the foundations of both old and new campus traditions. This curated journey through the personal experiences, spaces, and events of Purdue's history not only celebrates major accomplishments and acknowledges the contributions Purdue has made to society but it also explores some of the challenges and tragedies that shaped Indiana's land grant university. As a result, Purdue at 150 connects the identity and character of the University of 1869 to the University of 2019 and beyond as told through the stories of its students. Running throughout this journey is the enduring vision of the land grant institution and its impact on society as seen through the material culture of Boilermakers from around the world.

*More Urban Myths About Learning and Education* Pedro De Bruyckere, Paul A. Kirschner, Casper Hulshof, 2019-10-18. *More Urban Myths About Learning and Education: Challenging Eduquacks, Extraordinary Claims, and Alternative Facts* examines common beliefs about education and learning that are not supported by scientific evidence before using research to reveal the truth about each topic. The book comprises sections on educational approaches, curriculum, educational psychology, and educational policy, concluding with a critical look at evidence-based education itself. Does playing chess improve intelligence? Should tablets and keyboards replace handwriting? Is there any truth to the 10,000-hour rule for expertise? In an engaging conversational style, authors Pedro De Bruyckere, Paul A. Kirschner, and Casper Hulshof tackle a set of pervasive myths, effectively separating fact from fiction in learning and education.
