Time is running out and parents are worried with just 10 days left for the school to reopen. Since the children have enjoyed through their vacations. It is their parents who are surfing the internet, painting the charts, writing essays and preparing science models. Some busy parents who are well off but cannot spare time are compelled to send their wards to the holiday homework special classes.

Sumedha who holds classes for completing the children's homework, says that she charges anything between Rs 1000 to 5000 per child depending on the class and volume of the homework.
