Litle,Gerald L. Wilson, Virginia Wilson,1993-01-30 Just as society has changed dramatically over the last century so have the
social sciences This valuable reference chronicles the historical development of social studies as a discipline in elementary
and secondary schools It also assesses the current state of teaching and research in the social sciences and history at the pre
college level and it charts new directions for the future of social studies in secondary and elementary schools By tracing the
historical development of social studies the reference indicates how social studies has constantly been redefined to meet the
changing needs and expectations of society At the same time the historical context provided by the authors sheds new light
on the current state of social studies in the curriculum and the development of social studies in the future The book begins
with introductory chapters that overview themes and issues common to all areas of history and the social sciences The
chapters that follow summarize and assess the developments and trends of particular fields commonly thought to constitute
social studies The volume concludes with chapters on broad topics including the place of religion in the social studies
curriculum the role of writing in history and the social sciences and the professional training of social studies teachers Each
chapter begins with a section of reflections on the development of the discipline followed by a section on current issues and
trends followed by a final section of projections for the future of the discipline The result is a comprehensive overview of the
past present and future of social studies in elementary and secondary schools and an indispensable reference for educators
