Reasoning Mr. Rohit

Manglik,2024-08-24 A practical guide to enhancing analytical and logical reasoning abilities ideal for competitive exam preparation

Long-term effects of Learning English Shigeo Uematsu,2015-05-05 This book presents a pioneering longitudinal study on English language instruction at the elementary school ELES level in the Japanese public school system

It attempts to identify those domains most sensitive to early English instruction by employing a state of the art quantitative research methodology English education was formally introduced in Japan for fifth and sixth graders in 2011 and is still in its infancy as a program This study compares two groups Grade 7 and 8 of students one with ELES and one without in order to shed light on their experiences Comparisons are carried out not only quantitatively measuring changes in English skills listening speaking reading and vocabulary grammar and the ELES students affective aspects but also qualitatively through in depth interviews Thus this study attempts to capture the ELES students experiences from a multi dimensional perspective The comprehensive literature review provided offers a valuable resource not only for researchers looking for a quick digest of the literature in this field before undertaking their own research but also for policy makers seeking to assess how to best implement ELES
