Scanlon,2013-10-28 First Published in 2005 Almost everywhere policies designed to broaden access to education and to

promote equality of opportunity are now pursued In consequence the importance of examinations grows since success in them determines entry to higher education and thus to professional posts They are therefore a major instrument of social mobility and promotion which affects social structure by applying criteria of selection nearly always accepted unconsciously and uncritically The aim of this text in selecting Examinations as the theme of the 1969 WORLD YEAR BOOK was to present a comparative analysis of the way in which examinations are devised administered and assessed to find out why we are examining and to look at the ways in which we examine to see if these are efficient relevant and reliable

Unschooling To University Judy L. Arnall, 2018-09-21 School is one option for education homeschooling is the second and unschooling is the third Many parents are frustrated by the school system perhaps because of bullying crowded classrooms and outdated dull online courses Disengaged learners that have no say in their coerced curriculum tend to act out tune out or drop out Education must change and unschooling is the fastest growing alternative method of learning Two decades ago students registered with their local school based on their house address Now with the internet students are borderless Learning can occur anywhere anytime anyway and from anyone including self taught Self directing their education unschoolers learn through Play Projects Reading Volunteering Video games Sports Mentorship Travel Life This book explores the path of 30 unschooled children who self directed all or part of their education and were accepted by universities colleges and other postsecondary schools Most have already graduated What children need most are close relationships parents teachers siblings relatives coaches and mentors within a wider community not just within an institutional school Educational content is everywhere Caring relationships are not Families that embrace unschooling do not have to choose between a quality education and a relaxed connected family lifestyle They can have both
