Paths to College and Career Jossey Bass and PCG Education are proud to bring the Paths to College and Career English Language Arts ELA curriculum and professional development resources for grades 6-12 to educators across the country. Originally developed for EngageNY and written with a focus on the shifts in instructional practice and student experiences, the standards require Paths to College and Career includes daily lesson plans, guiding questions, recommended texts, scaffolding strategies, and other classroom resources. Paths to College and Career is a concrete and practical ELA instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to read closely and engage in text-based discussions, build evidence-based claims and arguments, conduct research, and write from sources, and expand their academic vocabulary. Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented students. This enhanced curriculum provides teachers with freshly designed Teacher Guides that make the curriculum more accessible and flexible, a Teacher Resource Book for each module that includes all of the materials educators need to manage instruction, and Student Journals that give students learning tools for each module and a single place to organize and document their learning. As the creators of the Paths ELA curriculum for grades 6-12, PCG Education provides a professional learning program that ensures the success of the curriculum. The program includes Nationally recognized professional development from an organization that has been immersed in the new standards since their inception. Blended learning experiences for teachers and leaders that enrich and extend the learning. A train-the-trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches. Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation.

Project-Based Learning+, Grades 6-12 Jorge Valenzuela, 2023-08-30

Project Based Learning PLUS Social and Emotional Learning equals student and educator success. Imagine not only helping kids reach their potential academically but as citizens in society as well. In this groundbreaking new book, you will learn how to take project-based learning (PBL) in which students develop educational skills like research, critical thinking, and teamwork to the next level by enhancing it with personal competencies like self-management, social awareness, and responsible decision-making. Written by an expert in PBL, student well-being, and technology, with different levels of educator PBL experience in mind, this guide to harnessing the power of these approaches provides the five elements of the PBL Framework Tools and rubrics that help you engage all students and assess their projects. Ways to align PBL with the five SEL competencies outlined by CASEL. Tips for putting PBL into practice to facilitate your own teaching plans.
