

Graduation Speech Sample

Good evening friends, family, faculty, and fellow graduates.

As we stand here today, on the brink of a new chapter in our lives, it's hard to believe that it's already been four years (or however long it took us to get here). It seems like just yesterday that we were nervously stepping onto campus, not quite sure what to expect.

But as we look back on the past four years, it's clear that we've come a long way. We've made new friends, learned new things, and grown as individuals. We've faced challenges and overcome them, and we've learned to persevere through difficult times.

And as we move on from this chapter in our lives, I encourage each and every one of us to remember the lessons we've learned and the experiences we've had. These experiences will shape who we are and how we approach the world, and they will serve us well in the years ahead.

But before we get too ahead of ourselves, let's take a moment to reflect on how we got here. I'm sure we all have different stories and experiences, but there are a few things that I think we can all relate to.

For starters, I'm sure we can all agree that college is a lot of hard work. Between classes, assignments, and exams, it's easy to get bogged down and feel overwhelmed. But despite the challenges, we've persevered and made it to this point.

I'm also sure that we've all had moments where we felt lost or unsure of ourselves. It's natural to feel that way, especially when you're trying to navigate a new environment and figure out your place in the world. But despite these moments of uncertainty, we've found our footing and discovered our passions.

And most importantly, I'm sure we can all agree that college has been an amazing experience. We've had the opportunity to learn from some of the best professors in the field, engage in meaningful discussions and debates, and be part of a community of like-minded individuals.

So, as we move on from this chapter in our lives, let's remember to be grateful for the experiences we've had and the people who have supported us along the way. To our parents, who have always believed in us and encouraged us to pursue our dreams, thank you for your unwavering love and guidance. To our teachers and mentors, who have imparted their knowledge and wisdom upon us, thank you for your invaluable guidance and encouragement. And to our friends, who have stood by us through thick and thin, thank you for your friendship and support.

Graduation Speeches From Mother To Daughter:

My Mother's Daughter Rona Maynard, 2009-02-24 Personal memories of the sort her Chatelaine readers adored a remarkable life story seen through the window of her relationship with her mother Every woman's relationship with her mother is special Yet everyone will recognize some parts of another woman's story especially if it is told as honestly and as sensitively as Rona Maynard tells it here As a little girl Maynard soon came to see that her family was not an ordinary one Her father Max was an artist and an alcoholic Her mother was Fredelle Maynard a brilliant academic who could not get a teaching job because she was a woman Instead she became a writer the author of Raisins and Almonds and above all a driving loving ambitious overpowering mother In her shadow and that of younger sister Joyce who went off at eighteen to live with J D Salinger Rona took time to blossom as a writer and editor in Toronto This book takes us through her career step by step including the miseries of being accused by her son's teachers and her own mother of being a bad mother overly concerned with her own career Rona's strong direct style will ring true for every working woman Through the magic of her writing she gives a clear eyed and affectionate account of her relationship with a demanding loving mother I said to my father You don't live here any more This is Mother's house not yours It's time for you to go My father cursed me He shook his fist Then he left and never came back From *My Mother's Daughter* *The Martian's Daughter* Marina Whitman, 2012-08-31 The memoir of Marina von Neumann Whitman **Listen: How Child and Student Voice Can Change the World** Siobhán Keenan Fitzgerald, 2024-08-01 Article 12 of the United Nations Convention on the Rights of the Child UNCRC 1989 articulates every child's right to have their voice heard in matters that affect them Yet acceptance of this right is sometimes slow and there are barriers to effective implementation This vitally important book aims to accelerate acceptance of this right by bridging the gap between theory and practice empowering adults to act as advocates and facilitators of children using their voices within our homes schools and wider communities Divided into thirteen chapters Listen invites readers to connect the concept of child and student voice meaningfully with the development of all children's physical voices and modes of communication Topics explored include but are not limited to Current research on student voice including an examination of public speaking within primary schools Advocating for a school wide focus on supporting student voice Best practice and pedagogical approaches to facilitating public speaking in the classroom The benefits and drawbacks of debate including how to use it appropriately and assessing when to employ other techniques Creating a supportive learning environment where students may overcome their anxieties about public speaking An essential read for parents teachers teaching assistants and senior leaders Listen proposes a pedagogical approach to supporting student voice that is backed by current research yet firmly rooted in practical application *My Road to Radio and The Vocal Scene* George Jellinek, 2015-01-09 Born in Ujpest Hungary in 1919 George Jellinek began his musical career playing violin with gypsies in the family's garden restaurant He spent his adolescence doing much the same honing his talent and enriching his own musical education with frequent trips to

the Hungarian Royal Opera House But when Hitler and Chamberlain signed the Munich Pact in 1938 Jellinek s quiet life was shattered How the exiled teenager survived World War II worked his way up from a poor Hungarian immigrant in Cuba and became one of the most important and influential musical administrators in New York is an unconventional but truly American success story This memoir documents the inspiring life of George Jellinek beginning with his childhood in his beloved Hungary The crisis of World War II soon invaded his life and leaving behind his family and homeland he fled west Having been finally allowed to enter the United States he was drafted into the U S Army in 1942 obligated to bear arms against the country of his birth This ironic turn of events culminated in his firsthand role in the capture of Ferenc Szalasi the leader of Hungary s Hitlerite faction The latter half of the book reveals how music helped Jellinek piece back together his broken life in America After rising to the post of musical director for radio station WQXR he went on to become the producer and host of The Vocal Scene His 36 years with that program established it as a revered fixture of New York s opera life The epilogue documents the day on which Hungary s president bestowed upon Jellinek the Knight s Cross of the Order of Merit of the Republic of Hungary *Life and Light for Woman* ,1899
