Zwaneveld,2022-06-13 A Bookseller s Hobby Horse and the Rhetoric of Translation is a study of the first Dutch translation of Tristram Shandy 1759 67 as a product of and factor in the reception of Sterne s novel in the Netherlands and as a specific manifestation of this reception a derived text based on interpretation of the original It took sixteen years for this translation to appear Why was this so And why did its publication 1776 79 prove unrewarding to the publisher To answer the first question Agnes Zwaneveld relates the development of Sterne appreciation in the Netherlands from neglect in the 1760s to a literary craze in the 1780s to a number of socio cultural factors including a growing interest in German literature This relation with German literature is reflected in the choice of books published by A E Munnikhuizen a Sterne enthusiast and conscientious publisher but also an outsider in the book trade whose audacity led to the commercial failure of his enterprise A different question tackled in this study is to what extent the translation reflects the original text Can it be accepted as a faithful rendering or rather as an adaptation an imitatio in the classical tradition To understand what norms the translator Bernardus Brunius followed and what effects he can have been aiming at his work is described in terms of the rhetorical theory of translation adhered to in his day To avoid subjectivity in assessing the resemblance between translation and original the comparison focuses on composition and the use of rhetorical figures as formal aspects which can be easily recognised across the centuries The textual comparison was limited to the opening chapter of Tristram Shandy seen as the novel s exordium in which both author and translator are likely to have made a show of their intentions Close reading of this chapter resulted in an interpretation of Tristram s authorial performance as inspired by both Quintilian and Longinus **DTP in de praktijk** Hans Frederiks,2003 **Turkije** Femke Foppema,2016-01-08 Turkije zal de bezoeker in veel opzichten zowel exotisch als vertrouwd voorkomen en kan juist daardoor een fascinerende ervaring zijn Met zijn combinatie van invloeden van het Midden Oosten mediterrane culturen de Balkan en Centraal Azi is het land meer dan de cliché matige brug tussen Oost en West In zijn lange geschiedenis vielen talloze volkeren het land binnen en daardoor is Turkije een vat vol tegenstellingen en bekoringen Moskee n staan er naast kerken en Romeinse theaters niet ver van oude Hettitische steden terwijl derwisjceremonie n en zigeunerfestivals evenzeer bij de cultuur horen als klassieke concerten en voetbalwedstrijden *Smart Home* ,2016-02-18 Het is d trend dit moment slimme huizen Smart home domotica huisautomatisering Het zijn ingewikkelde termen voor meer comfort De eerste stappen naar een volledig geautomatiseerd huis zet je al met producten van slechts enkele tientjes Met de speciale editie Smart Home van Computer Idee Computer Totaal PCM en Tips Trucs kom je goed beslagen ten ijs Nog voordat je de straat inrijdt springen
