Coaching Ralph J. Sabock, Michael D. Sabock, 2008 *Coaching A Realistic Perspective* is the ideal textbook for anyone who is preparing to coach athletics. All aspects of the profession are addressed in a clear and straightforward manner presented with advice gained from decades of experience. The expanded and updated ninth edition examines the qualities of successful coaches, presenting tools for self-evaluation, recruiting, off-season planning, player and parent expectations, coaches' potential problem areas, and the balance between a coach's work life and personal and family life, a topic often overlooked in other textbooks.

Coaching Baseball Successfully Mike Curran, Ross Newhan, 2007. Top high school baseball coach Mike Curran shares his coaching strategies covering topics such as off-season planning, player evaluation, utilizing the coaching staff, organizing practices, creating effective drills, planning offensive and defensive strategies, scouting, game preparation, and in-game decision making.

Coaching Youth Baseball the Ripken Way Cal Ripken, Jr., Bill Ripken, Scott Lowe, 2006-12-15. Coaching young players, developing their skills, and cultivating a love for the sport may be the most rewarding experience baseball can offer. Cal and Bill Ripken understand this like few others. From their father, Cal Sr., a legend in the Baltimore Orioles organization for 37 years, they learned to play the game the right way. Those lessons, paired with their combined 33 years of big league experience, helped develop the Ripken Way, a method of teaching the game through simple instruction, solid explanations, encouragement, and a positive atmosphere. In *Coaching Youth Baseball the Ripken Way*, Cal and Bill share this approach to coaching and development. Whether you're teaching your children at home, managing the local travel team, or working with high school level players, *Coaching Youth Baseball the Ripken Way* will help you make a difference both on and off the field with these features: More than 50 drills covering defense, hitting, pitching, and baserunning. Age-specific practice plans for players ranging from 4 to 15. Strategies for setting goals and reasonable expectations for your players and team. Advice on communicating with parents, players, and staff. Methods for creating a positive and fun environment in which kids can learn the skills and strategies of the game. Bill Ripken was once voted by his peers as one of the big league players most likely to become a manager. Cal Ripken Jr., known as baseball's Iron Man, is a member of the game's All-Century Team and a future Hall of Famer. Together, they are proof positive that the Ripken Way is the right way to teach the game of baseball.

Coaching Michael D. Sabock, Ralph J. Sabock, 2017-01-05. *Coaching A Realistic Perspective* is the ideal textbook for anyone entering the coaching profession of any sport. More than detailing the duties and tasks of a coach, this book explores the often-overlooked issues and responsibilities that go hand in hand with coaching relationships among players, parents, and fans; ethical and moral issues and controversies; off-season housekeeping duties and concerns particular to head and assistant coaches; as well as single and married coaches. Similar to its previous edition, the eleventh edition includes end-of-chapter discussion questions to help inspire debate over common coaching issues. This edition has been updated to reflect the impact of social media on the coaching profession, including how it can be used in good, positive ways and how it can be

detrimental to coaches and athletes if not used properly It also features updated material on the issue of hazing a huge concern today in all levels of athletics
