researchers practitioners and students an excellent foundation for participation in product development projects and techniques for establishing and managing such projects The design principles are presented around examples related to the designing of products goods and services Case studies are developed around real problems and are based on the customer s needs

Lectionary Levity Ian S. Markham, Samantha R. E. Gottlich, 2017-10-17 Spanning all 3 years of the lectionary cycle this book provides a welcome tool for the renewal of preaching from the gospel readings In a concise uniform and simple format the authors provide a thematic summary of the gospel list several possible points for preaching and offer a humorous story for the week that illumines the deeper meaning of the biblical text *Lectionary Levity* also functions as a practical manual on how to use humor in preaching and allows the reader to view the gospel in a different light so as to enliven the worship experience A treasure trove of biblical insights homiletical helps and just good humor

Racism in the Neoliberal Era Randolph Hohle, 2025-08-22 *Racism in the Neoliberal Era* explains how simple racial binaries like black white are no longer sufficient to explain the persistence of racism capitalism and elite white power The neoliberal era features the largest Black middle class in US history and extreme racial marginalization Racial languages change the meaning of public and private political economy s two fundamental terms Randolph Hohle focuses on how the origins and expansion of neoliberalism depended on a racial language of white private black public The language of neoliberalism explains how the white racial frame operates like a web of racial meanings that connect social groups with economic policy geography and police brutality When America was racially segregated elites consented to political pressure to develop and fund white public institutions The Black civil rights movement eliminated legal barriers that prevented racial integration The elite white response to Black civic inclusion was to deregulate the Voting Rights Act and banking policy Elites gave themselves tax cuts and implemented austerity measures on government programs to aid the poor They privatized neighborhoods schools and social welfare creating markets around poverty They oversaw the mass incarceration and systemic police brutality against people of color Citizenship was recast as a privilege instead of a right Neoliberalism is the result of an elite white meta strategy to maintain political and economic power This new edition is thoroughly revised and updated to take account of the further history and debates over neoliberalism in the Trump and Biden eras and the significant social and political discussions around race and racism policing housing health care and citizenship as they interconnect with the American neoliberal economic and political system The new edition will be a vital textbook for students instructors and researchers in sociology politics race and economics

Social Support Networks James K. Whittaker, James Garbarino, This book offers for the first time a clear conception of what social support networks are why they are important how they are identified and sustained where they fit in an overall framework of human services and their limits and potential in selected fields of practice Individual chapters explore child adolescent and family services daycare and early childhood development divorced and stepfamilies schools delinquency prevention and treatment mental health service to the elderly development disabilities

healthcare and health promotion and drug treatment The use of social support networks extended family friends neighbors and other informal helpers is an idea whose time has come in the human services field At a time when spiraling costs and popular sentiment weigh against any major expansion of services it is apparent that a service strategy based primarily on the notion of professional helping delivered on a case by case basis usually in a one to one relationship has serious limitations Professional response to this major work has been uniformly positive The editors have assembled a book of considerable importance brilliant in both scholarship and construction will appeal to a broad readership Gerald Euster University of South Carolina offers a much needed balance to the focus on individual and internal dynamics which has characterized social work education for several decades Eleanor Reardon Tolson University of Chicago Social Support Networks is a valuable contribution a unique original and authoritative book an exciting timely and definitely practice oriented book with a strong theoretical and research base Anthony N Maluccio University of Connecticut James K Whittaker is professor of social work at the University of Washington A former childcare worker therapist and administrator in residential childcare he has been a consultant to governmental and voluntary children s agencies throughout the United States James Garbarino is Elizabeth Lee Vincent Professor of Human Development in the College of Human Ecology at Cornell University He was president of the Erikson Institute for Advanced Study in Child Development Chicago Illinois from 1985 to 1994 He is the co author of Troubled Youth Troubled Families also available from AldineTransaction

Inviting Understanding Sonja K. Foss, Cindy L. Griffin, 2020-08-20 Inviting Understanding A Portrait of Invitational Rhetoric is an authoritative reference work designed to provide a comprehensive overview of the theory of invitational rhetoric developed twenty five years ago by Sonja K Foss and Cindy L Griffin This theory challenges the conventional conception of rhetoric as persuasion and defines rhetoric as an invitation to understanding as a means to create a relationship rooted in equality immanent value and self determination Rather than celebrating argumentation division and winning invitational rhetoric encourages rhetors to listen across differences to engage in dialogue and to try to understand positions different from their own Organized into the three categories of foundations extensions and applications Inviting Understanding is a compilation of published articles and new essays that explore and expand the theory The book provides readers with access to a wide range of resources about this revolutionary theory in areas such as community organizing social justice activism social media film graffiti institutional and team decision making communication and composition pedagogy and interview protocols
