

The Eiffel Tower is the central focus of the image, shown at night with its lights on. It is set against a dark blue background. The tower's structure is clearly visible, and its reflection is seen in the water at the bottom of the frame. The overall aesthetic is romantic and Parisian.

Murat,2019-09-24 The present work fills a gap as it attempts to offer a history of erotic literature published in the United Kingdom The word Study in the title is perhaps a bit exaggerated as the material is largely taken from the now well known bibliographies by Pisanus Fraxi Henry Spencer Ashbee and quotations from the books themselves The time line is WW II Who was the author He may have been Charles Reginald Dawes 1879 1964 who is supposed to have written but not published a text of this or a similar title His profession or his activities are not known he once called himself a writer but library catalogues credit him only with two publications The Marquis de Sade Paris 1927 and Retif de la Bretonne London 1946 privately printed He may have been a popular writer under pseudonyms though Dawes owned a good erotica collection which he willed to the British Museum Library that would explain why the author of this Study if he was Dawes could quote freely from erotic texts which only few of his contemporaries would have had available The main merits of this book are that the author was thoroughly familiar with English and French erotic literature and that he put his material in chronological order and in context The editor added a number of references illustrations and indices of personal names and titles to facilitate navigation **Paris Without End** Gioia Diliberto,2024-02-27 A bittersweet modern love story that reads as easily as a novel Vogue Hadley Richardson and Ernest Hemingway were the golden couple of Paris in the twenties the center of an expatriate community boasting the likes of Scott and Zelda Fitzgerald Gertrude Stein and Alice B Toklas and James and Nora Joyce In this haunting account of the young Hemingways Gioia Diliberto explores their passionate courtship their family life in Paris with baby Bumby and their thrilling adventurous relationship a literary love story scarred by Hadley's loss of the only copy of Hemingway's first novel and ultimately destroyed by a devastating m nage trois on the French Riviera Compelling illuminating poignant and deeply insightful Paris Without End provides a rare intimate glimpse of the writer who so fully
