The Tiger Leading the Dragon Shelley Rigger,2021-06-01 How did the once secretive isolated People s Republic of China become the factory to the world Shelley Rigger convincingly demonstrates that the answer is Taiwan She follows the evolution of Taiwan s influence from the period when Deng Xiaoping lifted Mao s prohibitions on business in the late 1970s allowing investors from Taiwan to collaborate with local officials in the PRC to transform mainland China into a manufacturing powerhouse After World War II Taiwan s fleet footed export oriented manufacturing firms became essential links in global supply chains In the late 1980s Taiwanese firms seized the opportunity to lower production costs by moving to the PRC which was seeking foreign investment to fuel its industrial rise Within a few years Taiwan s traditional manufacturing had largely relocated to the PRC opening space for a wave of new business creation in information technology The Tiger Leading the Dragon traces the development of the cross Taiwan Strait economic relationship and explores how Taiwanese firms and individuals transformed Chinese business practices It also reveals their contributions to Chinese consumer behavior philanthropy religion popular culture and law

Sugar rush Karen Throsby,2023-06-20 In the second decade of the twenty first century the crusade against sugar rose to prominence as an urgent societal problem about which something needed to be done Sugar was transformed into the common enemy in a revived war on obesity levelled at unhealthy foods and the people who enjoy them Are the evils of sugar based on purely scientific fact or are other forces at play Sugar rush explores the social life of sugar in its rise to infamy The book reveals how competing understandings of the problem of sugar are smoothed over through appeals to science and the demonization of fatness with politics and popular culture preying on our anxieties about what we eat Drawing on journalism government policy public health campaigns self help books autobiographies and documentaries the book argues that this rush to blame sugar is a phenomenon of its time finding fertile ground in the era of austerity and its attendant inequalities Inviting readers to resist the comforting certainties

of the attack on sugar Sugar rush shows how this actually represents a politics of despair entrenching rather than disrupting the inequality riddled status quo

Food and Drink in America Andrew Smith,2013-01-31 Home cooks and gourmets chefs and restaurateurs epicures and simple food lovers of all stripes will delight in this smorgasbord of the history and culture of food and drink Professor of Culinary History Andrew Smith and nearly 200 authors bring together in 770 entries the scholarship on wide ranging topics from airline and funeral food to fad diets and fast food drinks like lemonade Kool Aid and Tang foodstuffs like Jell O Twinkies and Spam and Dagwood hoagie and Sloppy Joe sandwiches **Crafting Service Processes** Jean Harvey,2019-03-28 As the title makes clear this book is about the design and delivery of service experiences This includes the design of installations facilities technologies and scripts used in the staging of such experiences It introduces the reader to many fundamental notions in service operations from positioning to execution with much attention paid to human experiences such as those of customers and service workers be they performing simple repetitive tasks or complex mental tasks The subject is treated in an user friendly manner with a storytelling context focusing initially on every day services coffee shops fast food supermarkets and then moving on to complex services lawyers physicians engineers accountants Contrary to popular hype not all service experiences are meant to be memorable If all you need is a cup of coffee and this is done quickly effortlessly

and painlessly that's good. If there's a little plus along the way that's better, you'll make a mental note that this is a good place to stop next time you are in the area. In an age of exponential technological change, service delivery processes are changing quickly and service industries are being creatively destroyed. You want to be the disruptor willing to disrupt a large part of your actual income streams. The ability to maintain differentiation rests largely on an in-depth understanding of the service experience and operational excellence. The future belongs to the fastest learner. Intuition is only part of the story.
