

A man and a young girl are standing against a bright yellow background. The man, on the right, is wearing a blue zip-up jacket over a red and white horizontally striped t-shirt and dark pants. He has a serious, almost stern expression. The girl, on the left, is wearing a matching blue zip-up jacket, dark pants, and a grey flat cap. She is leaning her arm around the man's waist and smiling. A red banner with a white border is positioned at the bottom of the image, containing the text "Instructions not INCLUDED" in a bold, red, sans-serif font. The word "not" is smaller and in a lighter red color than the other words.

Made in Mexico Luis I. Reyes,2024-03-26 For more than a century directors from both sides of the border have chosen Mexico as the location to create their cinematic art leaving an indelible imprint on the imaginations of moviegoers and filmmakers worldwide Now for the first time Made in Mexico Hollywood South of the Border presents a comprehensive examination of more than one hundred Hollywood theatrical feature films made in Mexico between 1914 and the present day Lavishly illustrated throughout Made in Mexico examines how Hollywood films depicted Mexico and how Mexico represented itself in relation to the films shot on location It pulls back the curtain on how Hollywood filmmakers influenced Mexican films and Mexican filmmakers influenced Hollywood Listed chronologically and featuring cast credits synopsis and contemporary reviews along with a production history for each entry this book highlights the concept of crossing borders in which artists from both nations collaborated with one another Made in Mexico also provides a brief historical perspective on the aesthetics

economics and politics of the film industries in each country giving readers a glimpse of the external forces at play in the production of these films With motion pictures permeating the cultural and historical landscape of both Mexico and the United States this compulsively readable compendium demonstrates the far reaching influences of the featured films on the popular culture of both nations

**Latino Stats** Idelisse Malavé,Esti Giordani,2015-01-27 At a time when politics is seemingly ruled by ideology and emotion and when immigration is one of the most contentious topics it is more important than ever to cut through the rhetoric and highlight in numbers the reality of the broad spectrum of Latino life in the United States Latinos are both the largest and fastest growing racial ethnic group in the country even while many continue to fight for their status as Americans Respected movement builder and former leader of the Tides Foundation Idelisse Malav and her daughter Celeste Giordani a communications strategist for the Social Transformation Project distills the profusion of data identifying the most telling and engaging facts to assemble a portrait of contemporary Latino life with glimpses of the past and future From politics and the economy to popular culture the arts and ideas about race gender and family Latino Stats both catalogs the inequities that plague Latino communities and documents Latinos growing power and influence on American life An essential tool for advocates educators and policy makers Latino Stats will be a go to guidebook for anyone wanting to raise their awareness and increase their understanding of the complex state of our nation

Vanishing Frontiers Andrew Selee,2018-06-05 There may be no story today with a wider gap between fact and fiction than the relationship between the United States and Mexico Wall or no wall deeply intertwined social economic business cultural and personal relationships mean the US Mexico border is more like a seam than a barrier weaving together two economies and cultures Mexico faces huge crime and corruption problems but its remarkable transformation over the past two decades has made it a more educated prosperous and innovative nation than most Americans realize Through portraits of business leaders migrants chefs movie directors police officers and media and sports executives Andrew Selee looks at this emerging Mexico showing how it increasingly influences our daily lives in the United States in surprising ways the jobs we do the goods we consume and even the new technology and entertainment we enjoy From the Mexican entrepreneur in Missouri who saved the US nail industry to the city leaders who were visionary enough to build a bridge over the border fence so the people of San Diego and Tijuana could share a single international airport to the connections between innovators in Mexico s emerging tech hub in Guadalajara and those in Silicon Valley Mexicans and Americans together have been creating productive connections that now blur the boundaries that once separated us from each other
