Eye To Eye Facing The Consequences Of Dividing Israel:

Unlocking the Prophetic Mysteries of Israel Jonathan Bernis, 2017-11-07 We are witnessing things today that the prophets of Israel longed to see God is fulfilling His Word in our generation If you want to understand what God is doing in these last days you must understand what He is doing with Israel It is here that the Bible's prophecies regarding the end of the age will all unfold Jonathan Bernis host of the internationally popular television program Jewish Voice With Jonathan Bernis with this fascinating book unlocks a greater knowledge about the last days The book explores questions such as What crucial role does Israel play in the last days Why is anti-Semitism on the rise worldwide and what is at its root What is the seed promise and why is Satan so angry about it What profound promise did God make to Abraham that applies to you today

End Times Answers Jimmy Evans, 2023-09-12 How can you know what will happen if it hasn't happened yet People have burning questions about the end times They want to know what when and how and they want to know it now Jimmy Evans discusses the most frequently asked questions from his weekly Tipping Point podcast including How significant are current events How can people know they are truly saved Will I know my family in eternity What are the Tribulation and the Millennium What needs to happen before Jesus returns Anyone can understand End Times prophecy **For Zion's Sake** Paul Richard Wilkinson, 2008-12-01 By locating Christian Zionism firmly within the Evangelical tradition Paul Wilkinson takes issue with those who have portrayed it as a totally unbiblical menace and as the roadmap to Armageddon Charting in detail its origins and historical development he argues that Christian Zionism lays the biblical foundation for Israel's restoration and the return of Christ No one has contributed more to this cause than its leading architect and patron John Nelson Darby an uncompromising champion for Christ's glory and God's truth This groundbreaking book challenges decades of misrepresentation and scholarship exploding the myth that Darby stole the doctrine of the pre-tribulation Rapture from his contemporaries By revealing the man and his message Paul Wilkinson vindicates Darby and spotlights the imminent return of the Lord Jesus Christ as the centerpiece of his theology **Israel, Beloved of God--His Eye Is Upon You--Fear Not!**

Grace McGonigle, 2009-03 First Born Blessings upon Ishmael is a plea for realization of how abundantly the Lord God of Israel has blessed the Arab Hopefully coaxing Ishmael into a new respect and gratitude for the One who has so blessed him and his heritage The Fear of the Lord and The Wrath of God are must reads for what is taking place today world wide Thought filled poetry should awaken many What is Israel's birthright Who does this tiny piece of real estate really belong to Jews Arabs and Christians alike are disillusioned and have been misled concerning this ancient nation Outright fabrications have been made by those who are and are not ignorant of historical facts The result grievous misunderstandings to the truth of exactly what belongs to whom and why Primary historical facts rather than supposition should bring to those seeking truth thought out basic attitudes and responses to such Essential changes must be put into action It is time to realize the truth of the despicable forlorn empty cursed malarial swamps and treeless wasteland that Israel had become under 400 years of

Turkish Ottoman control and who it was with work and sweat and shed blood that restored Israel to what she has become It is time for the worlds governments and people groups to come together in dignity and justice to honor these truths and to join in the work of restoration of their inheritance unto the rightful heirs *A Fool's Guide to Wisdom* Richard G.

Myatt,2011-02 Paradox is present when the opposite of what one expects to be true is true The capacity to see paradox is the prerequisite to becoming wise It is expressed when the weak become strong those who lose their life find it and the disheartened find the Lord who uses those things that are not to nullify the things that are 1 Corinthians 1 28 NIV This work demonstrates paradox in health medicine business organizational leadership cultural myths related to the family the symptomatic solutions common in political and social structures and in the spirituality expressed by people of faith As the former director of an adolescent rehabilitation facility the author has a keen awareness of the devastation caused by the failures of this generation Clear and concise recommendations demonstrate the small changes that create enormous differences We will discover that wisdom begins when we fear the Lord and have knowledge of the Holy One The wise see paradox but not because they look for it Their openness of thought leads to a perception that life is an interaction of complex systems and ideas that truly transcend us all Those with the God given capacity to integrate knowledge emotion and faith will in the end find wisdom Rick Myatt is a licensed psychotherapist with an extensive history From building an orphanage in a war torn country to becoming the director of an adolescent psychiatric rehabilitation facility his experience includes crisis intervention treating sexual addictions and caring for children victimized by the murder of parents and child prostitution With Masters Degrees in Marriage and Family Therapy and in Theology he has also completed all Ph D coursework in Family Sociology He currently specializes in organizing his community to detect and prevent workplace violence **The Pro-Israel**

Lobby in Europe Elvira King,2016-03-02 The activities of pro Israel pressure groups and lobbyists in the US are well known But the pro Israel lobby in Europe is less prominent in both academic and media accounts In a unique account Elvira King identifies the pro Israeli groups which attempt to influence policy makers and implementers in the EU specifically examining Christian Zionist groups Through a detailed study of the European Coalition for Israel ECI the only Christian Zionist lobby in Brussels Elvira King analyses whether and how a religious group can and can fail to influence decision makers in the EU By exploring the context of European relations with Israel as well as the mechanisms through which pressure groups are able to influence EU wide policies King offers an analysis which demonstrates how the EU can be a site where religion and politics meet rather than just being a secular institution It therefore contains vital primary research for both those interested in the pro Israel lobby as well as those examining the role of religion in politics more generally **Understanding The Anatomy**

of Evil William Nitardy,2016-04-14 The book examines the anatomy of evil in the realm of ideological and philosophical beliefs This includes politics culture religion science and law It attempts to answer many questions by giving the reader a better understanding of all aspects of evil including stealth evils that are not even on our radar Although the author uses

many scriptural verses to support the book's thesis it does not simply rely on scripture but relies on probability science and rationale to draw conclusions while showing consistency with and support of scripture Although the author is convinced that the bible is the infallible Word of God and believes in biblical Christianity he is very critical of denominational Christianity and other religions including pseudo science and other religions that masquerade as secular entities He believes that the rapid and virtually complete secularization of our society has only been possible because of the many false foundations that have been established and accepted as fact when they are completely false and destructive Those false foundations justify and support many evils that have been and are being promoted in America The book discusses the situation in which America finds itself where we are being destroyed and are near the point of no return The book addresses the current political situation and the upcoming presidential election The final chapter of the book is to encourage skeptics to believe the truth of the bible through rational evidence Although this book should connect well with Christians it is hoped that the rational approach taken would attract atheists agnostics and skeptics as well as pastors and religious leaders Pastors and religious leaders are encouraged to teach the full council of God by relating scriptural principles to our evil culture and even go so far as to attack the false foundations that are making the gospel irrelevant or addressing the contaminated soil that prevents the gospel seeds from germinating

God's Heart for Israel (and Us) John Weldon, 2011-07-12 We read God's promises to Israel in the Old Testament where it is referred to as the apple of His eye but is God done with Israel since they rejected their Messiah Are we as Christians supposed to stand for the nation of Israel today Has the Church now replaced Israel so that God's promises and covenants given in the OT no longer apply to Israel What is Israel's global importance Is global anti-Semitism on the rise What will be Israel's ultimate future According to an article in the Jerusalem Post of June 17 2011 Israel is at a do or die moment As was the case in May 1967 when the combined Arab armies gathered with the express purpose of wiping the Jewish state off the map today again Israel is alone in its hour of greatest peril John Weldon is able to answer these questions and address the important issues of our day because of the extensive research he has done on Middle East and America He shares what he has learned in this deeply thought provoking book

Messianic Religious Zionism Confronts Israeli Territorial Compromises Motti Inbari, 2012-08-27 The Six Day War in 1967 profoundly influenced how an increasing number of religious Zionists saw Israeli victory as the manifestation of God's desire to redeem God's people Thousands of religious Israelis joined the Gush Emunim movement in 1974 to create settlements in territories occupied in the war However over time the Israeli government decided to return territory to Palestinian or Arab control This was perceived among religious Zionist circles as a violation of God's order The peak of this process came with the Disengagement Plan in 2005 in which Israel demolished all the settlements in the Gaza Strip and four settlements in the West Bank This process raised difficult theological questions among religious Zionists This book explores the internal mechanism applied by a group of religious Zionist rabbis in response to their profound disillusionment with the state reflected in an increase in religious

radicalization due to the need to cope with the feelings of religious and messianic failure *The Prayer I Wished I Had Never Prayed* Roger Henry, 2022-01-01 Have you watched what is happening in the world and wondered why things seem to be going from bad to worse After a 21 day fast God answered my prayer of what is taking place by showing me how all that is happening is fulfilling New Testament Bible prophecies As I watch all the pieces falling into place I sometimes wish I had never prayed that prayer because it can be heartbreaking As you read through these pages you will be overwhelmed at how the Word of God is so true at the same time you will feel deep pain as we watch the world drift closer and closer to destruction The question you will be able to answer in the end is this Will I be ready to deal with all that is going to happen if the rest of God s Word is being fulfilled
