FACULTY OF HUMANITIES / FAKULTEIT GEESTESWETENSKAPPE
DEPARTMENT OF PSYCHOLOGY / DEPARTEMENT SIELKUNDE

MGW 112 – People and their Environment

Date / Datum: 13 June / Junie 2013
Time / Tyd: 16:00 – 19:00 (1 ½ hours / ure)
Total / Totaal: 90

Examiners / Eksamenatore: Ms S Mostert
2nd / 2^{de} Examiner / Eksamentator: Ms M Michels

Important information:

1. As soon as the results of examinations and supplementary examinations are available, the administration of the Faculty will display them on the notice boards next to the Human Sciences Building and thereafter mail them to individual candidates.

LECTURERS AND ADMINISTRATIVE STAFF WILL NOT GIVE CANDIDATES THEIR RESULTS PERSONALLY OR BY TELEPHONE.

Results will be available at telephone no **083 123 1111** and also on the Internet address: <http://www.up.ac.za>

Supplementary examinations are not granted automatically, but the results obtained are considered individually to determine whether a supplementary examination should be granted.

Belangrike inligting:

1. Alle eksamen- en hereksamenuitslae sal so gou as wat dit beskikbaar is deur die Fakulteits-administrasie op die kennisgewingborde langs die Geesteswetenskappegebou aangebring word en so spoedig moontlik daarna aan kandidate gepos word.

GEEN UITSLAE SAL TELEFONIES OF PERSOONLIK DEUR DOSENTE OF ADMINISTRATIEWE PERSONEEL VERSTREK WORD NIE.

Uitslae sal telefonies by telefoonnommer **083 123 1111** beskikbaar gestel word, asook op Internet: adres <http://www.up.ac.za>

2. Hereksamens word nie outomaties toegeken nie. Elke uitslag word individueel beoordeel om te bepaal of 'n hereksamen toegeken behoort te word, al dan nie.

GOOD LUCK! / VOORSPOED!

Hell and High Water Rebecca Theim, 2013-10-11 ERIC HOFFER BOOK AWARD SHORTLIST FINALIST BUSINESS CATEGORY NATIONAL FEDERATION OF PRESS WOMEN REGIONAL FINALIST GENERAL NONFICTION INDEPENDENT PUBLISHER BOOK AWARDS GOLD MEDAL CURRENT EVENTS Near midnight on May 23 2012 the New York Times broke the story that Advance Publications the New York based owner of about three dozen US newspapers would use its 175 year old New Orleans Times Picayune as the testing ground for a risky experiment The Picayune which won fierce local devotion international acclaim and two Pulitzer Prizes for its heroic coverage of the aftermath of 2005 s Hurricane Katrina would become a three day per week publication and shift its focus to its much derided nola.com Web site leaving New Orleans as the largest US city without a daily newspaper The profitable newspaper with the country s highest readership penetration in a city its size then proceeded to purge its veteran newsroom antagonize much of the city and state attract negative national and international attention and jeopardize its vaunted reputation all in an effort to create a new blueprint for the profitable operation of American newspapers in today s increasingly digital world The Times Picayune wasn t the first or last Advance Publications newspaper to undergo this transformation The company began implementing this plan at many of its newspapers in 2009 despite waves of protest However the Times Picayune was its foremost guinea pig In a desperate attempt to recapture public favor Advance implemented daily newsstand only editions of the Times Picayune to supplement its scant coverage Author Rebecca Theim s deft treatment of the impact on employees and region the enigmatic owners of Advance Publications and Advance Publication s ambitious business model is a revelatory expos of the swiftly changing face of journalism

Digital Privacy, Terrorism and Law Enforcement Simon Hale-Ross, 2018-07-06 This book examines the UK s response to terrorist communication Its principle question asks has individual privacy and collective security been successfully managed and balanced The author begins by assessing several technologically based problems facing British law enforcement agencies including use of the Internet the existence of darknet untraceable Internet telephone calls and messages smart encrypted device direct messaging applications and commercially available encryption software These problems are then related to the traceability and typecasting of potential terrorists showing that law enforcement agencies are searching for needles in the ever expanding haystacks To this end the book examines the bulk powers of digital surveillance introduced by the Investigatory Powers Act 2016 The book then moves on to assess whether these new powers and the new legislative safeguards introduced are compatible with international human rights standards The author creates a digital rights criterion from which to challenge the bulk surveillance powers against human rights norms Lord Carlile of Berriew CBE QC in recommending this book notes this particular legal advancement commenting that rightly so the author concludes the UK has fairly balanced individual privacy with collective security The book further analyses the potential impact on intelligence exchange between the EU and the UK following Brexit Using the US as a case study the book shows

that UK laws must remain within the ambit of EU law and the Court of Justice of the European Union's CJEU's jurisprudence to maintain the effectiveness of the exchange. It addresses the topics with regard to terrorism and counterterrorism methods and will be of interest to researchers, academics, professionals and students researching counterterrorism and digital electronic communications, international human rights, data protection and international intelligence exchange.

Regime Change in Contemporary Turkey Necati Polat, 2016-10-27 Turkey has undergone a series of upheavals in its political regime from the mid 19th century. This book details the most recent change, locating it in its broader historical setting. Beginning with the Justice and Development Party's rule from late 2002, supported by a broad informal coalition that included liberals, the book shows how the former Islamists gradually acquired full power between 2007 and 2011. It then describes the subsequent phase, looking at politics and rights under the amorphous new order. This is the first scholarly yet accessible assessment of this historic change, placing it in the larger context of political modernisation in the country over the past 150 years.

A New Scramble for Africa? Sören Scholvin, 2016-03-03 Global energy consumption will increase rapidly in the next decades. The discrepancy between demand and supply is worrisome within the old and new cores of the world economy. Sub-Saharan Africa meanwhile possesses vast potential for energy resources to be further exploited. Whilst the Global North is a traditional player in the sub-Saharan energy sector, new actors from emerging economies, especially China's state-owned enterprises, but also Brazilian, Indian and South African giants have entered what appears to be a scramble for the largely untapped energy resources of the region. This book is the first to bring together comparative perspectives on the strategies of state and non-state actors involved in the exploitation of sub-Saharan energy resources. The potential and pitfalls of new forms of cooperation on energy southwards of the Sahara. The domestic opportunities and challenges of the present energy resource boom. Dynamics on the international level are brought together with local developments to provide up-to-date insights on the scramble for energy resources in sub-Saharan Africa. This book also advances a materialist approach applicable in geographical and political scientific research, showing that much insight can be gained by concentrating on the material environment that shapes economic and political phenomena.

Administrative Justice in Wales and Comparative Perspectives Sarah Nason, 2017-09-15 This book offers a unique understanding of what administrative justice means in Wales and for Wales, whilst also providing an expert and timely analysis of comparative developments in law and administration. It includes critical analysis of distinctly Welsh administrative laws and redress measures, whilst examining contemporary administrative justice issues across a range of common and civil law European and international jurisdictions. Key issues include the roles of commissioners, administrative courts, tribunals and ombudsmen in devolved and federal nations, and evolving relationships between citizens and the state, especially in the context of localisation and austerity, and will be of interest to legal and public administration professionals at home and internationally.

Citizens, Civil Society and Heritage-Making in Asia Hsin-Huang Michael Hsiao, 2018-02-14 This volume is based on papers from the second in a series

of three conferences that deal with the multi scalar processes of heritage making ranging from the local to the national and international levels involving different players with different degrees of agency and interests These players include citizens and civil society the state and international organizations and actors The current volume focuses on the role of citizens and civil society in the politics of heritage making looking at how these players at the grass roots level make sense of the past in the present Who are these local players that seek to define the meaning of heritage in their everyday lives How do they negotiate with the state or contest the influence of the state in determining what their heritage is These and other questions will be taken up in various Asian contexts in this volume to foreground the local dynamics of heritage politics

Optoelectronic Gyroscopes Kamal Nain Chopra, 2020-09-19 The book presents the detailed study of optoelectronic gyroscopes especially Ring Laser Gyroscopes RLGs and Fiber Optic Gyroscopes FOGs It discusses their design in detail to optimize their performance besides explaining the related concepts and the new developments Other topics covered in this book are double ion beam sputtering for fabricating RLG mirrors on the high quality optical substrates optical testing and thin films characterization techniques The book will be useful for the researchers professionals and engineers working in the areas of optical gyroscopes and the related technologies

Irish Theatre in Transition D. Morse, 2015-01-19 The Irish Theatre in Transition explores the ever changing Irish Theatre from its inception to its vibrant modern day reality This book shows some of the myriad forms of transition and how Irish theatre reflects the changing conditions of a changing society and nation

Ways to improve tumor uptake and penetration of drugs into solid tumors Fabrizio Marcucci, Angelo Corti, Ronald Berenson, 2014-12-05 The main scope of this topic is to give an update on pharmacologic and non pharmacologic approaches to enhance uptake and penetration of cancer drugs into tumors Inadequate accumulation of drugs in tumors has emerged over the last decade as one of the main problems underlying therapeutic failure and drug resistance in the treatment of cancer Insufficient drug uptake and penetration is causally related to the abnormal tumor architecture Thus poor vascularization increased resistance to blood flow and impaired blood supply represent a first obstacle to the delivery of antitumor drugs to tumor tissue Decreased or even inverted transvascular pressure gradients compromise convective delivery of drugs Eventually an abnormal extracellular matrix offers increased frictional resistance to tumor drug penetration Abnormal tumor architecture also changes the biology of tumor cells which contributes to drug resistance through several different mechanisms The variability in vessel location and structure can make many areas of the tumor hypoxic which causes the tumor cells to become quiescent and thereby resistant to many antitumor drugs In addition the abnormally long distance of part of the tumor cell population from blood vessels provides a challenge to delivering cancer drugs to these cells We have recently proposed additional mechanisms of tumor drug resistance which are also related to abnormal tumor architecture First increased interstitial fluid pressure can by itself induce drug resistance through the induction of resistance promoting paracrine factors Second the interaction of drug molecules with vessel proximal tumor cell

layers may also induce the release of these factors which can spread throughout the cancer and induce drug resistance in tumor cells distant from blood vessels. As can be seen, abnormal tumor architecture, inadequate drug accumulation, and tumor drug resistance are tightly linked phenomena suggesting the need to normalize the tumor architecture including blood vessels and/or increase the accumulation of cancer drugs in tumors in order to increase therapeutic effects. Indeed, several classes of drugs that we refer to as promoter drugs have been described that promote tumor uptake and penetration of antitumor drugs including those that are vasoactive, modify the barrier function of tumor vessels, debulk tumor cells, and overcome intercellular and stromal barriers. In addition, also non-pharmacologic approaches have been described that enhance tumor accumulation of effector drugs, e.g., convection-enhanced delivery, hyperthermia, etc. Some drugs that have already received regulatory approval, e.g., the anti-VEGF antibody bevacizumab, exert antitumor effects at least in part through normalization of the tumor vasculature and enhancement of the accumulation of effector drugs. Other drugs acting through different mechanisms of action are now in clinical development, e.g., NGR-TNF in phase II/III studies, and others are about to enter clinical investigation, e.g., JO-1.

The Earth Charter, Ecological Integrity and Social Movements Laura Westra, Mirian Vilela, 2014-06-20. The Earth Charter is a declaration of fundamental ethical principles for building a just, sustainable, and peaceful global society with ecological integrity as a major theme. This book provides a series of analyses of ecological integrity as it relates to the Earth Charter, social movements, and international law for human rights. It is shown how the Earth Charter project began as a United Nations initiative but it was carried forward and completed by a global civil society initiative. The drafting of the Earth Charter involved the most inclusive and participatory process of its time ever associated with the creation of an international declaration. This process is the primary source of its legitimacy as a guiding ethical framework. The Earth Charter was finalized and then launched in 2000, and its legitimacy has been further enhanced by its endorsement by over 6,500 organizations, including many governments and international organizations. In the light of this legitimacy, an increasing number of international lawyers recognize that the Earth Charter is acquiring the status of a soft law document. The book also shows the strong connection between ecological integrity and social justice, particularly in the defence of indigenous people, and includes contributions from both the North and the global South, specifically from Central and South America.

F21june 2013 Past Paper Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free F21june 2013 Past Paper PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free F21june 2013 Past Paper PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who

make these resources available. In conclusion, the availability of F21june 2013 Past Paper free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About F21june 2013 Past Paper Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. F21june 2013 Past Paper is one of the best book in our library for free trial. We provide copy of F21june 2013 Past Paper in digital format, so the resources that you find are reliable. There are also many Ebooks of related with F21june 2013 Past Paper. Where to download F21june 2013 Past Paper online for free? Are you looking for F21june 2013 Past Paper PDF? This is definitely going to save you time and cash in something you should think about.
