It is in place that could see South Africa becoming a significant player in the farming and exportation – by far the world's most important space. For the South African government, this is the source of foreign investment and employment.

...and the fact that the local conditions for the last few years.

... business director of Lancelotti Agrochem (LAC), says, as a partner of SAHARP, they foresee a huge potential for cotton farming in South Africa. He believes it offers an ideal opportunity – not only for existing commercial farmers, but also for the development of small-scale emerging farmers – and, as such, will assist in addressing the country's high unemployment. The subsidised (contract grower) system will assist especially rural communities and give them a means to not only provide for their basic requirements, but also assist them to establish their own businesses with good growth possibilities.
