For salespeople, physical appearance is important, but there are other things that also go into making a good first impression. For example, I always <sup>arrive</sup> ~~am-arriving~~ at meetings on time. I <sup>know</sup> ~~am-knowing~~ my clients are busy people, and I understand that their time is important. Also, I always call them by name. I even keep names and information about clients in a special file online. In fact, I <sup>am adding</sup> ~~add~~ information to that file this week.

In the past, I didn't pay much attention to body language. However, I am <sup>learning</sup> ~~learn~~ to be more conscious of the ways I move and how to use my hands effectively. At every meeting I <sup>make</sup> ~~am-making~~ eye contact – especially when I first greet a client and again when I leave. I practice my greetings in front of the mirror every day. I try to remember to smile. Of course, I also want to look good. I have nice shoes, and I keep them clean and polished. I <sup>think</sup> ~~am-thinking~~ my new haircut makes me look good, too.
