

A MANUAL GRAMMAR OF THE GREEK NEW TESTAMENT

By H. E. DANA and
JULIUS R. MANTEY

THE distinctive value of this work lies in the simplicity and clarity with which it presents the vital principles of Greek grammar. Each point is fully elucidated and illustrated by vivid, obvious examples from the New Testament. While it is a compendium of all the essential points of Greek New Testament grammar, it is at the same time a handbook pre-eminently adapted to all the needs of the average student. It is equipped with paradigms, the principal parts of irregular verbs, and an English-Greek vocabulary. Thoroughly abreast with the latest researches and discoveries in Koine Greek, the authors have succeeded in producing a work which promises to become a most teachable and up-to-date Greek New Testament grammar for class-room use.
