Hezbollah Libanais Rvolution Iranienne Syrienne:

Le Hezbollah libanais. De la révolution iranienne à la guerre syrienne Didier Leroy, 2015-08-15 Il y a plus de trente ans une petite milice chiite mergeait dans un Liban déchiré par la guerre civile Soutenue par la République islamique d'Iran cette force paramilitaire est devenue l'acteur politique le plus influent du pays notamment par sa résistance à l'occupation israélienne Critiqué dans son pays et blacklisté à l'étranger le mouvement de Hassan Nasrallah continue de frayer la chronique Engagé dans la guerre syrienne il assume son statut de force régionale présente sur plusieurs théâtres d'opération Jusqu'où ira le Hezbollah

Lebanon: State of Survival Fouad Khoury-Helou, 2025-05-06 Lebanon is often described as the most successful failed state of the 21st century This ironic phrase perfectly summarizes the reality of a country that has a wealth of life giving energy and remarkable economic and cultural potential but which has suffered extreme and inextricable violence for two centuries From the 19th century onwards Lebanon was constantly buffeted by external interventions from the Ottomans the Iranians the Syrians the Israelis the British the Americans and not forgetting the French who continue to play a prominent role there While this gateway to the Middle East has managed to survive and heal its internal divisions in recent years it has been hit by a succession of unprecedented crises that have caused the exodus of many Lebanese and the massive arrival of Syrian migrants representing half of the indigenous population driven by the war in their own country To top it all off the destructive confrontation between Israel and Hezbollah has devastated entire swathes of Lebanon Like the author of a thriller whose hero is an entire state condemned to constant struggle Fouad Khoury Helou tells this fascinating story with gusto He also considers the various scenarios likely on the horizon and tries to come up with solutions that would enable the Land of the Cedars to overcome its problems **Comprendre le Chaos syrien** Alexandre Del Valle, Randa

Kassis, 2016-06-08 Avec les attentats de Paris et Bruxelles Daech a voulu séduire les citoyens européens en montrant par l'assassinat aveugle que tout migrant doit avoir peur des combattants d'Allah Pour les jihadistes l'Europe n'est plus seulement une base arrière elle est devenue un théâtre d'opération majeur dans un conflit désormais globalisé et dont le chaos syrien et moyen oriental est l'épicentre Il aura fallu attendre ces effroyables attentats puis la mise en œuvre de la stratégie de Vladimir Poutine en Syrie pour que les gouvernements occidentaux jadis occupés à noncer le seul régime syrien et ses alliés commencent renouer avec le réalisme géopolitique Mais l'Occident continue de considérer comme représentants légitimes de l'opposition syrienne des islamistes aussi fanatiques que Jaysh al-Islam ce qui en dit long sur l'alignement des Occidentaux sur leurs tranges alliés du Golfe et d'Ankara Selon les auteurs cet alignement explique en partie l'incroyable prolifération des cellules jihadistes en Europe face à l'immersion d'un iceberg islamiste qui ronge les démocraties de l'intérieur Loin d'être géopolitiquement correct les auteurs proposent une mise en perspective historique des révolutions arabes et du chaos syrien ainsi qu'une réflexion sur les principes de la réalpolitik **Le Hezbollah Libanais.
