

5 Key Elements of HighScope Curriculum

The HighScope Approach's Five Elements in the **HighScope approach**, teachers build the learning context by implementing and supporting five key elements: active learning, classroom organisation, daily routine, assessment, and curriculum (content).

The HighScope Curriculum is built around active learning and is play-based, child-centered, and research-based. Children are led to explore, interact, and use their creative imagination through intentional play in a HighScope classroom.
