

# How to Pass A Job Interview Successfully

## Tip 14

### Pay Attention to Your Body Language and Your Appearance

Watch your speech. Your voice should sound natural. Speak calmly and confidently.

Control your hand movements. Give the interviewer a firm handshake. During the interview, place your palms on the table, do not touch objects or your hair.

Make eye contact with the interviewer. From time to time look away, but mostly try to look the employer in the eyes.

Wear comfortable, clean, freshly pressed clothing appropriate for the job you are applying for. But anyway, your clothes should be more formal.

**Richard Bailey**

## **How To Find A Job And Pass Any Interview:**

**How to Pass Job Interviews with Ease** Anthony Ekanem, 2016-07-28 When you sit down to interview with a prospective employer that you are sincerely interested in working for there are probably more than a hundred different things running through your mind at one time which can make you anxious and cause you to walk into the interview unprepared However if you can focus yourself on the most important facets of the employment interview then you will be able to relax yourself better and to be more in control of the message that you are sending to the prospective employer Many people find it helpful to know exactly what they should not do in the interview as this helps people develop a good idea of what they should do in the interview Job interview mistakes can easily be avoided and many of the same mistakes cause a large number of the job force to fail in their job interviews on a consistent basis By avoiding these truly lethal job interview mistakes you will be able to show prospective employers that you are the right candidate for the job that you are applying for There are critical mistakes that people make during their job interviews By avoiding these critical mistakes you can launch yourself forward proving that you are the right candidate for the job rather than making a fatal mistake that will cost you the job of your dreams
