Marcos A. Toyens, 2019-11-23 The contemporary evangelical church faces serious difficulties All their leaders are aware of this and they try different diagnoses and answers for it It occurs to me that the current situation is similar to the tragic fate of Samson to whom the Spirit of God had left him and he did not realize it As solutions are sought in human and pragmatic techniques the patient aggravates their condition The only correct answer is that this vanishing life be breathed in as at the beginning of creation by the Word of God The spiritual life of the church and of ourselves depends on listening to and responding to the Word of God And for this to happen Scripture must take the central and authoritative position in the life of the church *Preaching God's Word, Second Edition* Terry G.
