Net Neutrality and the Battle for the Open Internet Danny Kimball, 2022-08-24 Net neutrality a dry but crucial standard of openness in network access began as a technical principle informing obscure policy debates but became the flashpoint for an all out political battle for the future of communications and culture Net Neutrality and the Battle for the Open Internet is a critical cultural history of net neutrality that reveals how this intentionally boring world of internet infrastructure and regulation hides a fascinating and pivotal sphere of power with lessons for communication and media scholars activists and anyone interested in technology and politics While previous studies and academic discussions of net neutrality have been dominated by legal economic and technical perspectives Net Neutrality and the Battle for the Open Internet offers a humanities based critical theoretical approach telling the story of how activists and millions of everyday people online and in the streets were able to challenge the power of the phone and cable corporations that historically dominated communications policy making to advance equality and justice in media and technology

Change from the Inside Out Erika Andersen,2021-10-26 Change initiatives fail because humans are hardwired to return to what s worked for us in the past This book offers a straightforward process for rewiring ourselves and those we lead to be more change capable Erika Andersen says avoiding change has been a historical imperative In this book she shows how we can overcome that reluctance and get good at making necessary change Using a fictional story about a jewelry business changing generational hands Andersen lays out a five step model for addressing both this human side of change and its practical aspects Step 1 Clarify the change and why it s needed Get clear on what the change is and the benefits it will bring Step 2 Envision the future state Build a shared picture of the post change future Step 3 Build the change Bring together a change team engage key stakeholders and plan the change Step 4 Lead the

transition Build a transition plan that supports the human side of the change then engage the whole organization in making the change Step 5 Keep the change going Work to make your organization permanently more change capable With opportunities to self reflect and try out the ideas and approaches throughout this book is a practical guide to thriving in this era of nonstop change *Kiplinger's Personal Finance* ,2009-06 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics
