*Dancing with the Dinosaur* William Lareau, 1994 The purpose of this book is to present you with a new perspective about work and business new behaviors new expectations new theories In order to do this it is necessary to disrupt and challenge the strongly ingrained but outmoded and ridiculous assumptions that you've been taught about business by well meaning parents teachers and by society An important element of this book's strategy for challenging the old and teaching the new is to create and place you in a make believe business jungle replete with dinosaurs

This jungle and its dinosaurs are metaphors for the normal business world and the people who work in it In order to strengthen the impact all the dinosaurs are given special names At first these names will seem strange and difficult to pronounce Very quickly though the names will become familiar and even endearing as you begin to internalize the concepts
