In the second stage, Portuguese, English and Spanish languages were used as filters in the time period of 2010 to 2015. Original articles were available in full in the online format. Reports of experience, review studies, literature reviews, edi-

torial management reports, letters, opinion articles, comments, abstracts of essays, essays, duplicate publications, dossiers, official documents, theses, dissertations, books and articles were excluded which did not meet the scope of this review.
