REVISION:

This document is intended for use by authorized NOKIA service centers only.

"Service Schematics" was created with focus on customer care. The purpose of this document is to provide further technical repair information for NOKIA mobile phones in used SA service activities. It contains additional information such as e.g. "Component finder", "Frequency band table" or "Antenna patch table". The "Signal overview" page gives a good and fast overview about the most important signals and voltages on board. Saving process time and improving the repair quality is the aim of this document. It can be used additionally in the service manual and other training or service information such as Service Bulletin.

All trademarks are hereby acknowledged.
