

# Epson MG-850HD projector

As market leader for the past decade<sup>1</sup>, Epson has created the market's first HD-Ready 3LCD home cinema projector to feature an iPod docking station<sup>2</sup>.

This new home entertainment system plays music, videos and photos directly from iPod, iPhone and iPad<sup>3</sup> devices without the need to download special apps. This projector offers users a big-screen home entertainment experience, as well as delivering rich, sharp projection.

To play content, simply connect your iPod, iPhone or iPad device to the docking station situated at the rear of the projector. TV episodes and films previously downloaded from iTunes can be played on a large, cinematic scale. In addition, you can play your favourite Blu-ray, DVD, PC, TV and gaming content thanks to the MG-850HD's versatile connectivity options.

This projector delivers a 3,000:1 contrast ratio and is enhanced by Epson's 3LCD technology to provide superb quality images. An equally high White and Colour Light Output of up to 2,800 lumens means you no longer have to draw the curtains for the best picture quality.

The MG-850HD is quick and simple to set up and use, thanks to its manual horizontal and automatic vertical keystone correction and the plug and play functionality. Epson has designed a clear and helpful menu for when Apple devices are connected.

All audio and visual content is supported by a pair of 10W speakers. You can transform the MG-850HD into a traditional iPod docking station for music by simply switching the projector lamp off.

## DATASHEET

## KEY FEATURES

- HD-Ready 720p big-screen experience
- Enjoy exceptional image quality with Epson's 3LCD technology
- 3,000:1 contrast ratio for deeper blacks
- Watch in daylight with an equally high White and Colour Light Output of 2,800 lumens
