Absence doesn't make the heart grow fonder. It makes people think you're dead. So begins Christopher Fowler's foray into the back catalogues and backstories of 99 authors who once hugely popular have all but disappeared from our shelves. Whether male or female, domestic or international, flash in the pan or prolific mega seller or prize winner, no author it seems can ever be fully immune from the fate of being forgotten. And Fowler, as well as remembering their careers, lifts the lid on their lives and why they often stopped writing or disappeared from the public eye. These 99 journeys are punctuated by 12 short essays about faded once favourites including the now vanished novels Walt Disney brought to the screen, the contemporary rivals of Sherlock Holmes and Agatha Christie who did not stand the test of time, and the women who introduced us to psychological suspense many decades before it conquered the world. This is a book about books and their authors. It is for book lovers and is written by one who could not be a more enthusiastic, enlightening and entertaining guide.

My (not so) Storybook Life Elizabeth Owen, 2011-10-18. Fresh, funny and poignant. My not so Storybook Life is old-fashioned humor mashed with literary spoofery. Elizabeth thinks of herself and her husband Matt as a modern-day Lucy and Ricky Ricardo. Together they've endured paint color mishaps, sewage disasters, pest infestations, and a schnauzer that poops at tornado sirens. It's hardly the domestic perfection a young Liz imagined while reading *Anne of Green Gables* and *Pride and Prejudice*. Could it be that these literary stalwarts had led her astray? Liz tells the story of her own path to happiness along the way, seeking revenge on her literary heroes. Jo March has to cope with a soul-sucking job, Elizabeth Bennett shepherds a Duggar-size brood of kids, and Anne Shirley deals with a penny-pinching husband. But every comedy is balanced by tragedy. Angela was one of Liz's closest friends, a kindred spirit who at age thirty-one was diagnosed with cancer. Before Angela, Liz was discontented. But it was the journey she took with this friend that made her realize that her house and its decorations and plumbing and dirty clothes-covered Man Cave were not burdens to be tweaked and perfected, but blessings to be thankful for.

Domestic Modernism, the Interwar Novel, and E.H. Young Chiara Briganti, Kathy Mezei, 2016-12-05. Domestic Modernism: the Interwar Novel and E. H. Young provides a valuable analytical model for reading a large body of modernist works by women who have suffered not only from a lack of critical attention but from the assumption that experimental modernist techniques are the only expression of the modern. In the process of documenting the publication and reception history of E. H. Young's novels, the authors suggest a paradigm for analyzing the situation of women writers during the interwar years. Their discussion of Young in the context of both canonical and noncanonical writers challenges the generic label and literary status of the domestic novel as well as facile assumptions about popular and middlebrow fiction, canon formation, aesthetic value, and modernity. The authors also make a significant

contribution to discussions of the everyday and to the burgeoning field of homeculture as they show that the fictional embodiment and inscription of home by writers such as Young Virginia Woolf Elizabeth Bowen Ivy Compton Burnett Lettice Cooper E M Delafield Stella Gibbons Storm Jameson and E Arnot Robertson epitomize the long standing symbiosis between architecture and literature or more specifically between the house and the novel , **Disgraced** Ayad Akhtar,2013-12-02 **Disgraced** by Ayad Akhtar is the winner of the Pulitzer Prize for Drama 2013 New York Today Corporate lawyer Amir Kapoor is happy in love and about to land the biggest career promotion of his life But beneath the veneer success has come at a price When Amir and his artist wife Emily host an intimate dinner party at their Upper East Side apartment what starts out as a friendly conversation soon escalates into something far more damaging After taking US audiences by storm in a sold out run in New York **Disgraced** transferred to the Bush Theatre in London in 2013 **The Little Library Year** Kate Young,2019-10-03 A very special book DIANA HENRY Perfect NINA STIBBE **The Little Library Year** takes you through a full twelve months in award winning food writer Kate Young s kitchen Here are frugal January meals enjoyed alone with a classic comfort read as well as summer feasts to be eaten outdoors with the perfect beach read to hand Beautifully photographed throughout **The Little Library Year** is full of delicious seasonal recipes menus and reading recommendations A wonderful brilliant book RUBY TANDOH The best present a food obsessed bookworm could ask for OLIA HERCULES Tender gorgeous clever and generous ELLA RISBRIDGER Bibliophile foodies have a treat in store for them Many treats in fact JASPER FFORDE **The Evolution of Intimacy : A Personal Story** Karren Kae Kearney,2019-05-27 Life is one small unexpected journey at a time moving us towards a destiny we could never imagine **The Evolution of Intimacy A Personal Story** is one such journey The book is an account of taking a leap of faith with a chance online meeting on a dating site in October and moving in together in December having only met once The book details the results of following one s intuition and heart and moving over three hundred miles to create a new life It s a story showing how against all odds faith and trust changed the fate of two unsuspecting people It touches on difficult issues of love marriages divorces death adult children his and hers ex spouses couples counseling health finances and everything in between The book offers hope insights and inspiration for anyone struggling with or in a dysfunctional relationship or was raised in an alcoholic environment or is an alcoholic an addict a compulsive over eater or food addict a sex and love addict co dependent or in a relationship with anyone with an addictions or mental illness I hope you find the story as inspirational as I did living it *Hollywood Catwalk* Tamar Jeffers McDonald,2010-06-22 The High School outsider takes off her glasses puts on a dress and becomes the Prom Queen the dowdy woman has her hair done buys some chic new clothes and starts to attract the men Cinderella and Pygmalion stories still provide inspiration for the plots of Hollywood romantic comedies dramas and even action films Their perennial use prompts a series of questions is for example male agency necessary to effect the transformation or can the woman change herself Can she ever change him Most pressingly what do these images of change and transformation of
