

I – Identify your Concerns

- Tell the child they are not in any trouble
- State what you are concerned about to child
- Use open-ended questions
- Avoid making assumptions or using coercive techniques
- Do not use “good/bad” touch
 - “I see you are bleeding. What happened?”
 - “Tell me about what happened tonight?”
 - “Tell me about what you told your friend?”

Forensic Interview Of Children Sample Questions

Ray Bull

Forensic Interview Of Children Sample Questions:

Evidence-based Child Forensic Interviewing Karen J. Saywitz, Lorinda B. Camparo, 2013-08-09 Interviewers face a dilemma when questioning children in a forensic context an inherent mismatch between the needs of the legal system and the capabilities of young children This is especially problematic when legal decisions with potentially serious consequences depend on the results of the interview such as in cases involving eyewitness memory divorce and allegations of abuse and neglect Without accommodations to a child s developmental level interviews can result in false reports miscommunication and misinterpretation despite an interviewer s best intentions Evidence based Child Forensic Interviewing addresses this discrepancy and presents an innovative approach to close the gap by providing the scaffolding structure and guidance children need to perform optimally Created by Drs Karen J Saywitz and Lorinda B Camparo and outlined in this guide the Developmental Narrative Elaboration DNE Interview is an evidence based step by step process and set of techniques for forensic contexts designed to help children ages 3 12 accurately tell as much as they can about their experiences and perceptions The DNE is comprised of a developmentally sensitive core template and optional techniques that can be embedded at the interviewer s discretion as cases unfold This book reviews the relevant research and then with sample language transcripts and suggested activities details a three phased interview with examples This empirically supported guide is designed to meet the needs of both novice and seasoned professionals in mental health social service law enforcement and the legal system when children s input is needed for legal and social service decision making

Interviewing Children about Sexual Abuse Kathleen Coulborn Faller, 2007-01-11 A core issue for professionals responsible for addressing sexual abuse is how to correctly identify cases *Interviewing Children About Sexual Abuse Controversies and Best Practice* critically reviews the research and practice on the spectrum of issues related to interviewing the sexually abused child Its chapters cover all the most important topics that interviewers must keep in mind from the accuracy of children s memories to appropriate types of questions to include to the use of interview aids and within each chapter is a comprehensive review of research and practice leading to conclusions that can be used to guide practice in this most sensitive of assignments

Memory and Suggestibility in the Forensic Interview Mitchell L. Eisen, Jodi A. Quas, Gail S. Goodman, 2001-09 This work offers an overview of our understanding of children s and adults eyewitness capabilities The authors provide an insight into the social cognitive developmental and legal factors that affect the accuracy and quality of information obtained in forensic interviews

The Handbook on Child Welfare Practice Jennifer M. Geiger, Lisa Schelbe, 2021-07-06 This unique multidisciplinary resource incorporates cutting edge research and best practices in child welfare into a text that aims to teach and refine advanced child welfare skills for aspiring child welfare professionals Featuring real life examples and stories from the field the handbook discusses existing methods and challenges in the field of child welfare practice Chapters also include materials for instructors to use in classrooms or training settings Among the

topics covered Overview of child welfare policies and how the child welfare system works Assessment tools and strategies used to identify various types of child abuse and neglect Individual family and community level approaches to preventing child maltreatment and preserving families Promoting stability after foster care placement Effective collaboration while working with special populations Clinical supervision in child welfare practice Strategies for healthy professional development of child welfare practitioners The Handbook on Child Welfare Practice is a valuable resource as both a textbook in child welfare practice courses and a practical reference for child welfare professionals This book will help develop a more knowledgeable and skilled child welfare workforce prepared to address the significant public health concern of child maltreatment

SOCIAL WORK IN JUVENILE AND CRIMINAL JUSTICE SYSTEMS (4th Ed.) David W. Springer, Albert R. Roberts, 2017-05-16 Social Work in Juvenile and Criminal Justice Systems sets the standard of care for mental health treatment and the delivery of social services to crime victims juvenile and adult offenders and their families The chapters all authored by experts in the field and all committed to the mission of social justice are written with the clear understanding that we cannot study criminal justice in a vacuum Therefore a major focus of the book is on the renewed growing sense of the profession's obligation to social justice Each chapter interconnects with the various components of juvenile and criminal justice Another prominent aspect of the book is that it is strength based It views those involved in the criminal and juvenile justice systems as individuals rather than inmates or criminals each with unique positive talents and abilities The book is divided into four sections The first section discusses forensic social work including crime and delinquency theories trends and ethical issues The second section prepares social workers for practice in correctional institutions and explores crisis intervention with victims of violence reentry of adult offenders in society and aging in prison The third section covers assessment and intervention in child sexual abuse mental health and substance abuse interpersonal violence and prevention child welfare and juvenile justice The final section presents an overview on social work in the twenty first century which includes restorative justice and the justice system new ways of delivering justice domestic violence neighborhood revitalization race and ethnicity and social work practice with LGBTQ offenders This book will be the best single source on social work in criminal justice settings and will prove to be an invaluable resource for the many professionals who have responsibility for formulating and carrying out the mandates of the criminal justice system

children's statements are accurate overcoming difficulties in the child protection system including the probability of multiple interviews and potential contamination of children's narratives by a variety of sources to produce fair evaluations and successful prosecutions With tables and charts that will help you easily explore research findings Maltreatment in Early Childhood provides you with the information you need in order to determine the truth of children's statements how to present statements in court and how to affect changes that will protect and assist victims of childhood sexual abuse

International Developments and Practices in Investigative Interviewing and Interrogation David Walsh, Gavin Oxburgh, Allison Redlich, Trond Myklebust, 2017-09-19 Techniques in the investigative interviewing and interrogation of victims witnesses and suspects of crime vary around the world according to a country's individual legal system religion and culture Whereas some countries have developed certain interview protocols for witnesses such as the ABE Guidelines and the NICHD protocol when interviewing children and the PEACE model of interviewing suspects other countries continue to use physical coercion and other questionable tactics to elicit information Until now there has been very little empirical information about the overall interview and interrogation practices in non western countries especially the Middle and Far East This book addresses this gap bringing together international experts from over 25 countries and providing in depth coverage of the various interview and interrogation techniques used across the globe Volume 1 focuses on the interviewing of victims and witnesses aiming to provide the necessary information for an understanding of how law enforcement agencies around the world gain valuable information from victims and witnesses in criminal cases Together the chapters that make up this volume and the accompanying volume on interviewing suspects draw on specific national case studies and practices examine contemporary challenges and identify best practice to enable readers to develop an international as well as a comparative perspective of developments worldwide in this important area of criminal investigation This book will be an essential resource for academics and students engaged in the study of policing criminal investigation forensic psychology and criminal law It will also be of great interest to practitioners legal professionals and policymakers around the world

Investigative Interviewing Ray Bull, 2014-02-10 This edited volume reviews the latest research on investigative interviewing in order to provide insights on the psychological processes of the person being interviewed as well as to offer guidelines for conducting credible and useful interviews Critical and controversial areas are highlighted eg false confessions child interviewing in order to bring clarity to how these interrogations are to be conducted Chapters focus on these areas to provide comprehensive views of theoretical evidence based background as well as practical considerations of interrogation settings and procedures The contributors are internationally respected scholars in the field of psychology and law with particular expertise in the interviews that are critical to legal proceedings And attention is given to the criminal justice system in international perspective [The APSAC Handbook on Child Maltreatment](#) J. Bart Klika, Jon R. Conte, 2017-07-27 The Fourth Edition of The APSAC Handbook on Child Maltreatment provides readers with the most up to date theory

research and best practices in the field of child abuse and neglect Edited by leading experts J Bart Klika and Jon R Conte this best seller covers all aspects of child maltreatment from physical abuse to sexual abuse and neglect focusing on etiology consequences investigation and treatment and systems Updates include new content on assessment and mental health interventions prevention as well as global perspectives Comprehensive and easy to read the handbook will serve as an invaluable resource for students and professionals both emerging and seasoned across disciplines but part of the same movement dedicated to improving the lives of maltreated children

Evidence-based Investigative Interviewing Jason J. Dickinson, Nadja Schreiber Compo, Rolando Carol, Bennett L. Schwartz, Michelle McCauley, 2019-02-21 For as long as we have been researching human memory psychologists have been investigating how people remember and forget This research is regularly drawn upon in our legal systems Historically we have relied upon eyewitness memory to help judge responsibility and adjudicate truth but memory is malleable prone to error and susceptible to bias Even confident eyewitnesses make mistakes and even accurate witnesses sometimes find their testimony subjected to harsh scrutiny Emerging from this environment the Cognitive Interview CI became a means of assisting cooperative witnesses with recalling more information without sacrificing accuracy First used by police interviewing adult witnesses it is now used with many populations in many contexts including public health accident reconstruction and the interrogation of terror suspects Evidence Based Investigative Interviewing reviews the application of cognitive research to investigative interviewing revealing how principles of cognition memory and social dynamics may increase the accuracy of eyewitness testimony It provides evidence based applications for investigators beyond the forensic domain in areas such as eyewitness identification detecting deception and interviewing children Drawing together the work of thirty three authors across both the academic and practice communities this comprehensive collection is essential reading for researchers in psychology forensics and disciplines such as epidemiology and gerontology

Children, Sexuality, and Child Sexual Abuse Dianna T. Kenny, 2018-04-09 In the past 20 years the progressive uncovering of child sexual abuse in institutional settings has reverberated across the globe with simultaneous investigations across Europe and the English speaking world However most books on child sexual abuse are narrowly focused and do not situate this most distressing of human behaviours within a social or historical context Children Sexuality and Child Sexual Abuse examines child sexual abuse from a broader perspective in order to understand how and why child sexual abuse is perpetrated by whom under what circumstances and with what societal consequences for victims and perpetrators This book will be an essential reference for all those working in the field of child sexual abuse Beginning with histories of childhood and sex and their intersections the book goes on to analyze sexual development sexuality and sexualized behaviour in children and adolescents This is followed by an examination of the extent of child sexual abuse in the English speaking world including its prevalence in the Indigenous communities of Australia New Zealand and Canada and in once trusted societal institutions including the Church orphanages and schools The book focuses on issues of concern to all

those who encounter the problem of child sexual abuse and addresses questions such as How and when do children disclose child sexual abuse What are the characteristics of memory that affect reporting How are disclosure claims assessed What are the effects of having experienced child sexual abuse Finally there is an examination of young people who offend sexually
