**Divine Truth or Human Tradition?** Patrick Navas, 2011-07-07 In Divine Truth or Human Tradition the author critically examines the viewpoints and Scripture expositions of prominent evangelical scholars and apologists including Dr James R White author of The Forgotten Trinity Dr John MacArthur President of The Master's Seminary Wayne Grudem author of the widely read Systematic Theology Robert Morey author of The Trinity Evidence and Issues Robert L Reymond author of A New Systematic Theology of the Christian Faith and others According to what has long been considered mainstream Christian orthodoxy the doctrine of the Trinity the idea that the one God of the Bible is a singular being made up of three coequal and coeternal persons is not only central to the Christian faith but even necessary for one to accept in order to be counted as a true Christian and be saved Such a demand on a Christian's faith has come across as strange and perplexing to many especially so in light of the fact pointed out by one respected Trinitarian The Trinity is not clearly or explicitly taught anywhere in Scripture yet it is widely regarded as a central doctrine indispensable to the Christian faith In this regard it goes contrary to what is virtually an axiom that is a given a self evident truth of biblical doctrine namely that there is a direct correlation between the scriptural clarity of a doctrine and its cruciality to the faith and life of the church Millard J Erickson God in Three Persons p 11 Emphasis added Understandably this fact has raised questions in the minds of Christians and truth seekers alike ever since the doctrine was first articulated in the late 4th century Many Christians have wondered How can a doctrine that is not clearly or explicitly taught in the Bible be necessary to accept in order to be a true practitioner of the Christian faith

**The Road to Science Fiction: From here to forever** James E. Gunn, 2003 Now in Paperback The Road to Science Fiction is a six volume anthology that covers the development of this genre from its earliest prototypes to the current day Created originally to provide anthologies for use in classrooms in the late 1970s these volumes became mass market sellers Between an ancient Roman's trip to the moon and the fantastic tales of H G Wells lies a journey through time and space and an awesome evolution in scientific thinking From Gilgamesh's search for immortality to Edgar Allan Poe's balloon trip in the year 2848 these and other key works are gathered together for the first time in one anthology complete with revealing commentary on the authors their eras and the role each played in establishing what we today recognize as science fiction Volume 4 From Here to Forever covers the period from 1950 1992 illustrating how science fiction can be as concerned with language and character as much as traditional fiction and anything in the mainstream Includes stories by Jorge Luis Borges Richard Matheson C M Kornbluth Jack Vance and Pamela Zoline

**God, The Same Yesterday Today and Forever** Steven B. Riddley, 2011-03-11 God The Same Yesterday Today and Forever From the beginning of time after the fall of Adam man has not understood his purpose in life on Earth The unknown mysteries of life have put man on a pursuit to find answers that are already before him This is where not knowing his creator who has all the answers It the enemy of our soul that has kept us from ever knowing the age old question What is truth The universal mysteries have put man on a

pursuit of the infinity to his own short life span and dies never to find the answer Have you the reader ever looked at the wonders that are in this world and asked the question where did it all get its origin Is there some one out there greater than I I have found that there are people born with no knowledge of a higher intelligence than themselves We call them atheist Well this book is about to introduce you to the reality of there is a God and at some point in the time of your life here or in the hereafter you will meet him The fear of the unknown has caused us all without the knowledge of truth to create an inner world that exists in our thoughts that leads us to live a life of willing ignorance This reality block in our minds creates a false sense of security that is based in the material things of this world that can not talk speak or hear These are the idols we in a western world that have become the cymbals of achievements that we value as a reason for living Have you ever thought where these gifts to create these natural phenomena came from Well for seven years the God I serve has given me the answers to many of these questions about man the cosmos and planet Earth all of which he created I am sure that when you read this book the obvious signs will convince you of these realities we all have been willing participants in the ignorance that have led up to our present state in the world Mark 8:36 KJV 36 For what shall it profit a man if he shall gain the whole world and lose his own soul

*Alice + Freda Forever* Alexis Coe, 2019-08-01 Alice Freda Forever is a gut wrenching story of love death and the dangers of intolerance Bustle In 1892 America was obsessed with a teenage murderess but it wasn't her crime that shocked the nation it was her motivation Nineteen year old Alice Mitchell had planned to pass as a man in order to marry her seventeen year old fiancé Freda Ward but when their love letters were discovered they were forbidden from ever speaking again Freda adjusted to this fate with an ease that stunned a heartbroken Alice Her desperation grew with each unanswered letter and her father's razor soon went missing On January 25 Alice publicly slashed her ex-fiancé's throat Her same sex love was deemed insane by her father that very night and medical experts agreed This was a dangerous and incurable perversion As the courtroom was expanded to accommodate national interest Alice spent months in jail including the night that three of her fellow prisoners were lynched an event which captured the attention of journalist and civil rights activist Ida B Wells After a jury of the finest men in Memphis declared Alice insane she was remanded to an asylum where she died under mysterious circumstances just a few years later Alice Freda Forever recounts this tragic real life love story with over 100 illustrated love letters maps artifacts historical documents newspaper articles courtroom proceedings and intimate domestic scenes

**The Forever Fuel** Peter Hoffmann, 2019-07-11 In a world increasingly plagued by pollution where limited

availability of fossil fuels creates international tensions and where global disaster from proliferating technology lurks on the horizon the search for alternative synthetic fuels is no longer an idle scientist's dream it is necessity Hydrogen with its vast and ready availability from water its nearly universal utility and its inherently benign characteristics is one of several attractive synthetic fuels being considered for a post fossil fuel world and it may well be the miracle fuel of the future It is of special interest because technically at least it is so easily produced and because it produces simple water vapor in the combustion process rather than loading an already burdened environment with more hydrocarbons carbon dioxide and monoxide sulfur particulate matter and even more exotic pollutants Journalist Peter Hoffmann describes worldwide scientific work toward a future hydrogen economy looking at the auspicious prospects of this potential fuel at its applicability to powering everything from automobiles to airplanes and at the principles and technologies involved in making hydrogen a viable energy alternative He examines how and how soon nature's simplest element may become available as an energy carrier as well as the economic conditions that will accompany its introduction and the social impact of clean hydrogen energy The picture he paints of the fuel future is a welcome alternative to the now common prognostications of impending doom
