Deep Furrows Herbert Joseph

Moorhouse,2022-09-16 Herbert Joseph Moorhouse's *Deep Furrows* plunges its readers into a realm where the echoes of human ambition and resilience reverberate through the pages. The literary style of the book, rich with eloquent prose and vivid symbolism, ensures that this tome is not just a reading experience but a journey through the variegated landscape of human experience. Set within a context where every word is accorded the level of respect befitting human legacy, *Deep Furrows* is not merely a text but a tribute to the enduring power of human expression. Its presentation by DigiCat Publishing underscores the commitment to preserving classic works and maintaining their accessibility within the modern pantheon of world literature. Herbert Joseph Moorhouse, a scribe of life's intricate tapestry, has crafted *Deep Furrows* as a reflective surface for the trials and tribulations that shape our existence. While little may be widely known about Moorhouse's personal motivations, the narrative suggests an intimate familiarity with the human condition, indicating that the author's own experiences have perhaps irrigated the fertile ground from which *Deep Furrows* emerged. The interplay between personal insights and universal themes is a hallmark of Moorhouse's writing, suggesting a profound contemplation of life's ceaseless cultivation. The revival of *Deep Furrows* by DigiCat Publishing serves as an invitation to connoisseurs of literature to rediscover the potency of this classic work. Scholars and students of the literary arts, as well as readers seeking a profound connection to the ancestral echoes of the written word, will find in it a source of inspiration and introspection. Within its pages lies an enduring testament to the narrative depth that we, as a species, are able to achieve. A recommendation not just to read but to experience and cherish the legacy inherent within *Deep Furrows*. Cassell's Dictionary of Slang Jonathon

Green,2005 With its unparalleled coverage of English slang of all types from 18th century cant to contemporary gay slang and its uncluttered editorial apparatus, Cassell's *Dictionary of Slang* was warmly received when its first edition appeared in 1998. Brilliant, said Mark Lawson on BBC2's *The Late Review*. This is a terrific piece of work, learned, entertaining, funny, stimulating, said Jonathan Meades in *The Evening Standard*. But now the world's best single volume dictionary of English slang is about to get even better. Jonathon Green has spent the last seven years on a vast project to research in depth the English slang vocabulary and to hunt down and record written instances of the use of as many slang words as possible. This has entailed trawling through more than 4000 books, plus song lyrics, TV and movie scripts, and many newspapers and magazines for relevant material. The research has thrown up some fascinating results. Managing Volunteers Nancy
