

The background of the cover is a photograph of a laboratory setting. A person wearing blue nitrile gloves is shown from the chest down, holding a petri dish with red agar. They are using a metal inoculation loop to streak bacteria across the surface of the agar. The petri dish is held in the left hand, and the loop is in the right hand. The agar is a vibrant red color, and there are several streaks of bacteria visible. The background is dark, and there are some blurred laboratory equipment in the distance.
