

Warranty for Services

I. Introduction

This Technology Services Warranty ("Warranty") is provided by [YOUR COMPANY NAME], hereinafter referred to as the "Service Provider," to the customer ("Customer") who has purchased or received technology-related services from the Service Provider. This Warranty outlines the terms and conditions under which the Service Provider guarantees the quality and reliability of the IT support services, software development, and other related technology services provided.

II. Warranty Coverage

This Warranty covers any defects, errors, or issues arising from the services rendered by the Service Provider, including but not limited to:

- **IT Support Services:** Assistance provided for hardware and software troubleshooting, network configuration, and related IT services.
- **Software Development:** Custom software solutions, application development, and related programming services.
- **Other Tech-Related Services:** Any additional technology services provided by the Service Provider as agreed upon in the service contract.

III. Warranty Period

The Warranty is valid for a period of 60 days from the date of service completion. During this period, the Service Provider will address any issues covered under this Warranty at no additional cost to the Customer.

IV. Warranty Exclusions

This Warranty does not cover:

- Issues arising from misuse, unauthorized alterations, or modifications made by the Customer or third parties.
- Problems caused by external factors, such as power surges, natural disasters, or malware infections not related to the services provided.
- Routine maintenance, updates, or upgrades not included in the original service agreement.

V. Customer Responsibilities

To maintain the validity of this Warranty, the Customer must:
