Riley, 2021-10-21 The epic saga of Jake Goodson comes to its conclusion in Volume Three of the trilogy *A Jeweler's Eye View* The spellbinding finale of the story begins with Jake Goodson and Sam Bailey in jail for the crime of a murder they didn't commit The incriminating testimonies and fabricated evidence brought against them are the result of the religious cult's efforts to destroy them At first they seem to succeed As the two men are left with the daunting task of exonerating themselves and even fighting for their very lives they relentlessly continue their attempt to rescue the children from the Ekklesia of Yahoeh The megalomaniacal leader of the Aryan sect allows his ambitions for power and religious supremacy to draw his followers into battle with all in the outside world who oppose him While Hightower convinces them that all outsiders are in league with the Devil and must be destroyed he focuses on removing everyone who gets in his way As a result he is brought face to face with Sam and Jake in a final epic battle Jake attempts to outflank Hightower by infiltrating the Ekklesia of Yahoeh and this has turned on him as he is now immersed in his own rite of exorcism The brainwashing strategies brought to bear against him invariably drive him deep into the psyche of his personal nightmares in ways that are completely unexpected As this exciting trilogy concludes the forces of good and evil are brought into a final showdown as the battle unfolds between the religious cult and the two men trying to rescue their children from its grip *Report* United States.
