

MY SHADOW

BY ROBERT LOUIS STEVENSON

I have a little shadow that goes in and out with me,
And what can be the use of him is more than I can see.
He is very, very like me from the heels up to the head;
And I see him jump before me, when I jump into my bed.

The funniest thing about him is the way he likes to grow—
Not at all like proper children, which is always very slow;
For he sometimes shoots up taller like an india-rubber ball,
And he sometimes gets so little that there's none of him at all.

He hasn't got a notion of how children ought to play,
And can only make a fool of me in every sort of way.
He stays so close beside me, he's a coward you can see;
I'd think shame to stick to nursie as that shadow sticks to me!

One morning, very early, before the sun was up,
I rose and found the shining dew on every buttercup;
But my lazy little shadow, like an arrant sleepy-head,
Had stayed at home behind me and was fast asleep in bed.

Wixson, Timothy Shanahan, 2012-12-06 The Common Core State Standards (CCSS) are the first academic standards to be independently adopted by almost every state in the country. The purpose and intent of the Common Core standards for English Language Arts (ELA) as well as Literacy in History, Social Studies, and Science education are the focus of this book. This volume is aimed at educators, administrators, graduate students, university professors, and others who deal with students in grades 3 through 5. Each of the chapters addresses one of the major English Language Arts domains: literature, informational texts, foundational skills, writing, speaking and listening, language technology, and assessment. They contain invaluable information, insight, and research from literacy leaders in their respective fields. Their objective is twofold: to provide a theoretical background and detailed explanation of each of the CCSS ELA standards as well as practical suggestions, classroom vignettes, models, instructional resources, and unit ideas to implement the standards. **Writing**
