Bond of the mind - part 1 ENG version Martin Suszka, May doesn't understand today's world and thinks there's no place for her in it. That's why every night when she goes to sleep she travels to another country where she lives her second real life as a member of a guild of hunters. Together with her friends she faces various obstacles and dangers every day on quests to complete tasks that she and her group choose in the guild. The dream world is full of adventure but also danger, pain and death lurking around every corner. Yet for May it is a world where she feels truly at home. Translation by DeepL. The official prequel novel to Marvel's Guardians of the Galaxy the hotly anticipated action adventure game developed by Eidos Montréal and published by Square Enix. Star Lord, Gamora, Drax the Destroyer, Rocket Raccoon and Groot. They're the Guardians of the Galaxy, turning a tidy profit as heroes for hire or they will be if Peter Quill can get his act together. After he botches the most critical part of their latest mission, getting paid, his newly assembled crew is close to ditching him for good. Now he needs a big payday fast. When an old acquaintance shows up offering a whole lot of units for a field trip to Peter's past, it's a no-brainer. Twelve years ago Peter fought the Chitauri alongside the Resistance on Mercury to prevent an invasion of Earth. Now it's time to go back. The old Resistance base has a squatter and it's up to the Guardians to gently escort them off the premises and unmask a wartime traitor while they're at it. But war is heavy, man, and the Galactic War screwed up each of the Guardians in their own special ways. The brand new team is barely hanging together and the mission brings up all kinds of bad memories. It's make or break time for the Guardians and they do so love breaking things. Just hopefully not each other.

The person on the other end was his ex-aunt Shu Jie or to be more specific, a fake ex-aunt because the so-called ex-girlfriend was also a fake, so he said breaking up at the moment but his face did not have the sadness that it should have.
