delicious The recipes in that first diet were gathered in a general cookbook that told readers just about everything they needed to know where to find the right ingredients how to make tasty substitutions that did not raise the sodium level and more with the sodium count given for each ingredient and each recipe That was The No Salt Lowest Sodium Cookbook Don decided to embellish the general work with some specialties and with his wife Maureen created The No Salt Lowest Sodium Baking Book If anyone thinks that you can't make delicious bread and pies and cookies and other baked goodies with very little or no sodium try a few of Don's recipes i0 But suppose you want to celebrate your grandson's third birthday or your doctor's latest green light with a party and need delicious tidbits for the guests Here they are in their new book Sometimes you feel like a light lunch a salad a sandwich a bowl of soup Here they are There are sections explaining where to buy special flavorings and the like how to substitute low sodium or sodium free ingredients and a foreword by Dr Michael Fowler director of the Stanford Heart Transplant Program and medical director of the Stanford Cardiomyopathy Center **Bread**
