**Medical Assisting - E-Book** Diane M. Klieger, 2013-08-09 Saunders Essentials of Medical Assisting 2nd Edition is designed to give you just the right amount of the essential information you need to prepare for your career as a medical assistant. It covers all of the need to know information in an organized approachable format. The condensed information is perfect for shorter programs of study and as a review tool for certification or re certification for practicing medical assistants. Full color and visually oriented, this text presents information in manageable segments that give you all the relevant facts without being overwhelming. With the most up to date information on basic body systems, foundational concepts such as medical terminology, nutrition, and full coverage of office concepts and procedures, you'll have everything you need to know to begin your Medical Assisting career with confidence. Full color design is visually stimulating and great for visual learners. Helpful studying features guide students through the material such as Learning Objectives for every chapter, Key Information summarized in tables throughout the text, and emphasized Key Words. Practical Applications case studies at the beginning of each chapter quickly introduce students to real life Medical Assisting. Word Parts and Abbreviations at the end of the Anatomy and Physiology sections reinforce learned medical terminology. Illustrated step by step Procedures with charting examples and rationales show how to perform and document administrative and clinical procedures. UPDATED information on Medical Office Technology prepares students for jobs in today's modern and often hectic medical offices. NEW Disaster Preparedness content demonstrates how medical offices can work closely with community and health departments during an emergency. Newly organized information emphasizes foundational areas of knowledge with new chapters on Nutrition, Phlebotomy, Venipuncture, and Blood Lymphatic and Immune Systems. *Glencoe Computers in the Medical Office*, 2001
