

Emergency Department Coding Policy

Strategic planning is a process that involves setting a vision, identifying key goals, and developing a plan of action to achieve those goals. It is a systematic approach to determining the organization's future and how to get there. Strategic planning is a continuous process that involves regular review and adjustment. It is a key component of effective management and is essential for the long-term success of any organization.

[illegible]

The difference in the way that you conceptualized the pairing (boundary) and the subsequent internal order is an important one, and I believe it is related to the following:

Other important areas include electronic journals, Internet and off-line databases and linking and reporting facilities. The following: "many of the advantages and principles that have applied to all other types of linking systems" has suggested a number of important design issues and why they matter to historical information resources.
