**Quran - The Final Testament - Authorised English Version** Dr. Rashad Khalifa Ph.D.,2010-12-16 Proclaiming One unifying religion for all the people The Book is without a doubt a revelation from the Lord of the Universe The Final Testament comes with built in physical evidence that it is God s message to you it is mathematically composed beyond human capability This proves that God is the Truth and that He revives the dead and that He is Omnipotent Our Salvation in the hereafter lies on upholding The Quran The Quran is God s Final Testament to the world Unlike any other book the Quran is taught by God 55 1 2 He teaches us what we need at the time we need it This is why we read the Quran hundreds of times without getting bored We can read a novel for example only once But the Quran can be read an infinite number of times and we derive new and valuable information from it every time Since the Quran is God s message to all the people regardless of their language the Quran is accessible to the believers regardless of their language 41 44 This explains a profound phenomenon the believers who do not know Arabic know the Quran better than the Arabic speaking unbelievers Because of the invisible forces serving the Quran it is readily and enjoyably accessible to the sincere believers and utterly inaccessible to the unbelievers 17 45 18 57 56 79
