

Mass Air Flow Sensor

The image shows the engine compartment of a vehicle, likely a Ford, with the hood open. A white rectangular box with the text "Mass Air Flow Sensor" is overlaid on the image. A white arrow points from the text box to a small, cylindrical sensor mounted on the air intake tube. The sensor is located near the battery and other engine components. The battery is on the right side of the engine, and the air filter housing is on the left. The front grille of the vehicle is visible at the bottom of the image.
