What The Spirit is Saying to the Church Reverend Anthony Kelley, 2017-09-25 What the Spirit is Saying to the Church is an apocalyptic view from the letters to the seven churches in the book of Revelation that begins its message to the church admonishing her to return to her first love which she has abandoned The author contends that this first love requirement demands a redirection of priorities for the Twenty First Century Church in the Black Experience It demonstrates how for the love of Christ she must move beyond a limited vision of just a good looking church and satisfaction with old definitions Christ gives a rebuke to the church and a direct warning that if she does not repent and return to her first love he will then remove her lampstand Reverend Kelley's preaching is spiritually sound and intellectually stimulating and challenging and also socially relevant He deeply believes in what I would call a well rounded ministry That is to say that ministry for him involves not only mastering the preached Word but also taking seriously and fulfilling the roles of pastor priest and prophet

REV DR LEWIS V BALDWIN PHD RETIRED
