This textbook is structured to blend theoretical knowledge with practical application making it a valuable resource for both classroom study and self guided learning. The United States Catalog, 1924

English Grammar & Composition Rajendra Pal, Prem Lata Suri, 2022-04-25 The book is divided into three parts comprised of overall 35 chapters. Part one contains Grammar, part two Aids to Vocabulary and part three Writing Skills. The section dealing with Grammar is in double color. The points given in pink color suggest importance or emphasis so they need attention and will help you to understand quickly and easily. These points are further highlighted with arrows. Text printed on screen suggests points likely to misunderstand. Sometimes they explain subtle distinctions between two apparently similar points. Grammar items are discussed very systematically one at a time. Plentiful illustrations are followed by carefully designed exercises. There is an exhaustive section dealing exclusively with Multiple choice questions covering all the areas of Grammar as well as Vocabulary. It will help to get familiar with the latest evaluation pattern. The chapter on vocabulary is adequate and it has been kept within manageable proportions. The chapter on Precis writing under the section Writing Skills contains a large number of solved examples which fully explain how to analyze a passage, how to prepare a rough draft and then turn out a good readable and adequate final precis. They are followed by passages provided with aids to vocabulary and detailed outlines. The passages selected for precis writing cover a wide range of interests and have been carefully graded. There is a comprehensive section on letter writing covering personal business and official correspondence. While it explains the requisites of the good letter its style layout it also provides a number of model letters for quick guidance.

A textbook of Income Tax Law & Practice – I Dr. Anita Raman, A. Lydia Arockia Mary, 2025-06-20 A Textbook of Income Tax Law Practice is often seen as one of the more demanding subjects for commerce students. This book is carefully structured to make the subject approachable by offering a clear understanding of the Income Tax Act 1961 both in concept and application using simple and accessible language. It comprehensively addresses the curriculum requirements of B Com BBA M Com and other commerce related programs as prescribed by Indian universities. To bridge the gap between theoretical knowledge and practical application the book explains core principles clearly and provides step by step solutions to numerical problems with appropriate explanations and working notes. Divided into two volumes the first volume covers topics from the basics of income tax to business income and depreciation. Distinct features of the book include a clear presentation of key concepts, numerous solved examples arranged by difficulty, updates reflecting the Finance Act 2025 and well organized self study material. The content is fully updated for Assessment Year 2025-26 and includes a comprehensive question bank with both objective and practical questions to help students confidently understand and apply tax provisions.
