Good To Great Book Summary 2:

Summary of Good to Great Alexander Cooper, 2021-02-15 Summary of Good to Great Jim Collins's Good to Great examines companies that have not only endured over time but who managed the transition from being good companies to becoming outstanding performers. The eleven companies found to have taken this leap managed to outperform the stock market 6.9 times over fifteen years. The author set out to understand what distinguished great organizations from a carefully selected group of companies that did not make the grade. The research team came up with some unexpected outcomes. At the time of the transition from Good to Great, all eleven companies were being led by Level 5 Leaders. These people showed a unique combination of humility and professional will. They were prepared to do anything necessary for the benefit of the organization. Level 5 Leaders started out not by plotting the direction of the company but by ensuring that they had all the right people in the right positions. Then they confronted the brutal facts of their organization and used this knowledge to ensure that they chose the right direction for the firm. Knowing what the organization should be doing and equally importantly what it should not be doing, they stuck stubbornly to the plan even when they were in dire circumstances. The culture of discipline within the organization ensured that the path to excellence would eventually be met. Patience, endurance, and discipline doggedly sticking only to what the company did best resulted in outstanding results. This investigation of what distinguished the great from the mediocre is an excellent study of what is needed to build great organizations. \$4.83 Jenn Tarbell, Lance Wood, Celina Kim, 2021-01-05 True stories of helping kids and families through Christ-centered microfinance and how little it really takes to change a life. With 4.83 you could buy a large coffee, grab a medium-sized movie theater popcorn, or even pay for thirty minutes of big city downtown parking. But with that same 4.83 through Christ-centered microfinance, you could impact the life of a child for one year, maybe forever. The evidence is overwhelming. When parents are given opportunities, the lives of their kids improve. 4.83 brings together data and real-life stories to highlight ten areas where kids win through Christ-centered microfinance. This book will break your heart and mend it again. Essential reading for anyone interested in the spiritual aspect of economic development amongst the most vulnerable people in the world. Michael Mithika, President/CEO of VisionFund International.

Summary of The Power of Now Alexander Cooper, 2021-05-02 Summary of The Power of Now. The Power of Now is a spiritual book written by German writer Eckhart Tolle. In his book, Tolle talks about the power of living in the present moment rather than unnecessary dwellings in the past or trying to figure out what the future will look like. Even though there are many books that are similar to this one, The Power of Now is unique in many ways. While explaining how to successfully live in the present moment, the author is guided by the teachings of Taoism, Karma, Buddhism, and Christianity through the teachings of Jesus Christ. By trying to unify all these teachings, the author captured the true meaning of many spiritual and religious teachings by creating one single universal guideline: the Now. The

book itself was published in 1997 and only three thousand copies were printed at first but in 1999 it was republished and printed in a much larger number by New World Library And now the book was sold in over three million copies and it has been translated into more than thirty languages The main idea of Tolle s book is that every religious teaching has the same core and thus he tried to retell these core teachings in a way that would be easy for his readers to follow With an appealing concept and also interesting topics The Power of Now is surely a type of book that draws the attention of many readers Here is a Preview of What You Will Get A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book **Summary - Good to Great** Readtrepreneur Publishing,2018-04-16 Good to Great Why Some Companies Make the Leap And Others Don t by Jim Collins Book Summary Readtrepreneur Disclaimer This is NOT the original book If you re looking for the original book search this link <http://amzn.to/2zfhP4w> What are the variables that distinguish a good company from a great one Can your company become great Knowing how to do it is the most important step and Good to Great will be essential on covering that gap Good to Great does its absolute best on providing the knowledge you need to know to make your company distinguish itself from its competition There is no need to settle on good when it can be great and having the best guide at your disposal is the best way to aim for the top Note This summary is wholly written and published by readtrepreneur.com It is not affiliated with the original author in any way Great vision without great people is irrelevant James C Collins Being the 1 bestselling book with more than 2 million copies sold Good to Great is the best way to learn how the best companies triumph over others and how your company can be the successful one This book is not meant for settlers it teaches you how to improve your position even if you are not in a bad one Do you want to always strive to the highest mountain Then this book is for you Jim Collins stresses the importance of knowing that your company doesn t have to be born with great DNA to be one of the greats because what s necessary is knowing when to act and when not to P S Good to Great is an extremely useful book that will help your company excel among others In order to succeed you need to be competitive you need to be vicious and you need to be ambitious The Time for Thinking is Over Time for Action Scroll Up Now and Click on the Buy now with 1 Click Button to Get your Copy Delivered Right Away Why Choose Us Readtrepreneur Highest Quality Summaries Delivers Amazing Knowledge Awesome Refresher Clear And Concise Disclaimer Once Again This book is meant for a great companionship of the original book or to simply get the gist of the original book If you re looking for the original book search for this link <http://amzn.to/2zfhP4w> Strategy & Business ,2006
