2. STATE OF COMPANY'S AFFAIRS

Currently in India, the national economy and marketplace is undergoing rapid changes and transformation. The volatility in the macroeconomic environment during the FY 13 continued to cast its shadow and most of the markets where Mayur operates, were impacted. Today the companies are operating in such a marketplace where the survival of the fittest is the law. Even in this environment, the Company recorded an exemplary financial performance. The major contributing factors for such all round performance across all the geographies and industry verticals was

the Company's customer-centric approach and its ability to innovate customer specific products, focus on pricing, disciplined execution of complex projects and the rigor in following strong internal processes.

Changing economic scenario & business conditions, evolving consumer preferences, rapid technological innovations & adoption and globalization are driving Mayur to transform the manner in which they operate. Your Company is now focused on its core business objective i.e. growth, profitability and asset efficiency. FY 13 has been a year of challenges and stellar achievements. Mayur has shown resilience and has
