Guide to Young Adult Literature Alice L. Trupe,2006-05-30 Contemporary young adult literature is a relatively new genre This guide provides an overview of the burgeoning field focusing primarily on fiction Each of the 32 chapters is devoted to a theme of special significance to young adults and provides brief critical discussions of several related literary works Chapters close with lists of fiction for further reading An appendix groups works according to additional themes and a selected bibliography cites relevant critical studies *The New Partridge Dictionary of Slang and Unconventional English: J-Z* Eric Partridge,2006 Entry includes attestations of the head word s or phrase s usage usually in the form of a quotation Annotation 2006 Book News Inc Portland OR booknews com *Engaging Boys in Active Literacy* William G. Brozo,2019-05-23 Too many boys do not like to read are choosing not to read and are suffering academically as a result All concerned adults need to redouble their efforts to ensure that boys who bring the greatest challenges to our classrooms and schools receive responsive literacy texts and practices to increase their chances for academic personal and occupational success This book is more than a compendium of techniques it also provides an analysis of the research literature on central issues and related aspects of literacy and learning for boys The author identifies issues that impinge on boys literacy development and explores what the research literature has to say about these issues The descriptions of how teachers have used engaging texts and practices to help boys overcome low literacy engagement and skill in order to stay on course as readers and writers are highly informative and practical as models of best practice Children's Book Review, 1994 Beverly Baer,1995-04 Provides access to reviews of children s books and periodicals that are indexed by Book Review Index **Book Review Index**

Cumulation Dana Ferguson,2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year **Children's Literature Association Quarterly** ,1999 *Teenagers and Reading* Jacqueline Manuel,Sue Brindley,2012 Teenagers and Reading Literary heritages cultural contexts and contemporary reading practices brings together international research and practical perspectives on the current state of teenagers reading The contributions by teachers researchers and other educators explore the what how when where and why of adolescents reading advancing our understanding of the relationships between and among teenage readers texts and contexts **Transcending Boundaries** Sandra L. Beckett,2013-10-11 Transcending Boundaries Writing for a Dual Audience of Children and Adults is a

collection of essays on twentieth century authors who cross the borders between adult and children's literature and appeal to both audiences This collection of fourteen essays by scholars from eight countries constitutes the first book devoted to the art of crosswriting the child and adult in twentieth century international literature Sandra Beckett explores the multifaceted nature of crossover literature and the diverse ways in which writers cross the borders to address a dual readership of children and adults It considers classics such as Alice's Adventures in Wonderland and Pinocchio with particular emphasis on post World War II literature The essays in *Transcending Boundaries* clearly suggest that crossover literature is a major widespread trend that appears to be sharply on the rise

Gender and Literacy Karen A. Krasny, 2013-02-27 This work offers parents educators and librarians a practical guide to discovering the ways gender identities are constructed through literacy practices providing recommendations for addressing gender inequities in schools and in the community at large *Gender and Literacy A Handbook for Educators and Parents* focuses on issues related to the gendered experience of students from pre kindergarten through grade 12 promoting an understanding that the issues surrounding gender cannot be reduced to broad generalizations Author Karen A Krasny seeks to make clear the complex notion of gender construction within the context of redefining what constitutes legitimate literacy practices in schools This handbook will help to guide educators parents and librarians by assisting them in the selection and evaluation of print and media resources The first chapter explains the need to understand the complex relationship between gender and literacy The bulk of the book provides readers with a critical review of the studies conducted to investigate gendered literacy practices while the last three chapters focus on actionable strategies and policy making

Bookbuyers' Reference Book, 1993 [Teaching Australian Literature](#) Brenton Doecke, Larissa McLean Davies, Philip Mead, 2011 What role should Australian literature play in the school curriculum What principles should guide our selection of Australian texts To what extent should concepts of the nation and a national identity frame the study of Australian writing What do we imagine Australian literature to be How do English teachers go about engaging their students in reading Australian texts This volume brings together teachers teacher educators creative writers and literary scholars in a joint inquiry that takes a fresh look at what it means to teach Australian literature The immediate occasion for the publication of these essays is the implementation of The Australian Curriculum English which several contributors subject to critical scrutiny In doing so they question the way that literature teaching is currently being constructed by standards based reforms not only in Australia but elsewhere The essays assembled in this volume transcend the divisions that have sometimes marred debates about the place of Australian literature in the school curriculum They all recognise the complexity of what secondary English teachers do in their efforts to engage young people in a rich and meaningful curriculum They also highlight the need for both secondary and tertiary educators to cultivate an awareness of the cultural and intellectual traditions that mediate their professional practice and to encourage a critically responsive pedagogy
