Risky Communications and Precarity in London's Shared Housing Hasret Saygi, 2025-08-25

This book examines the experiences of single professionals living in shared housing in London focusing on how language communication and social inequalities shape these living arrangements It frames shared housing not only as an economic condition but also as a communicative social and identity laden experience Drawing on the discourse analysis of interviews conducted with London s millennials sharing a house with strangers the book introduces a language socialisation framework to illustrate how they learn to become competent housemates It explores how individuals internalise unspoken norms manage routines and negotiate relationships within multilingual multicultural households The book also highlights what it means to be single and living in London today particularly in the context of housing It examines how house sharers navigate spatial and social boundaries and experience precarity especially through the lenses of migration ethnicity and linguistic background This book will appeal to scholars in sociolinguistics anthropology urban studies human geography and architecture

A History of Pew Renting in the Church of England J.C. Bennett, 2024-05-26 This book is a comprehensive study of the history of pew renting in the church of England from the first known rented sittings in the fifteenth century to the system s collapse in the twentieth The book s significance is partly its originality no book and very few articles or portions of books have appeared solely on pew renting since the nineteenth century and even those of that time were not histories they were polemical works that generally attacked pew renting on religious grounds This work encompasses the distinction between formal letting of seats which involved the methodical letting of sittings by church authorities with set rents and informal pew letting in which congregants tipped pew openers and sidesmen for favourable seats for one service It also details the concomitant difficulties and hindrances encountered by churches and renters the means of setting the rents and collecting the proceeds the types of congregants who rented pews the controversy the practice provoked and the deception and bending and sometimes outright breaking of the applicable law

International Real Estate Handbook Christian H.

Kälin, 2005-09-27 This book presents a comprehensive reference for real estate investors everywhere Covering the unique

Transforming Private Landlords Tony Crook, Peter A. Kemp, 2011-02-02 This book explores the origins extent and implications of this revival in the fortunes of private landlordism It presents an in depth scholarly analysis of private landlords the rationales for and ways in which governments have sought to revitalise investment in residential lettings and their success in doing so It also assesses the extent to which landlordism has been transformed in recent years and the lessons for policy that can be learned from this experience The book draws on the extensive research into private landlords conducted by the authors over the past two decades This includes projects funded by the Joseph Rowntree Foundation the predecessor departments to the Department for Communities and Local Government Scottish Homes and the Economic and Social Research Council It fills a major gap in the literature about an important actor in housing provision and the built environment Most of the recent work on private landlords has been published as research reports and there is a lack of book length scholarly study aimed at an academic rather than a policy audience **Alone Together** Elizabeth C. Cromley, 1990 Describes how the apartment building developed in the late nineteenth century and gradually achieved acceptance as middle class housing in New York City **Regulating Social Housing** David Cowan, Morag McDermont, 2021-04-29 Drawing upon Foucauldian analyses of governmentality the authors contend that social housing must be understood according to a range of political rationalities that saturate current practice and policy They critically address the practice of dividing social from private tenure situating subjects such as the purpose and financing of social housing the regulation of its providers and occupiers and its relationship to changing perceptions of private renting and owner occupation within the context of an argument that all housing tenures form part of an understanding of social housing They also take up the ways in which social housing is regulated through the invocation and manipulation of obscure notions of housing need and affordability and finally they consider how social housing has provided a focus for debates about sustainable communities and for concerns about anti social behaviour *Regulating Social Housing* provides a rich and insightful analysis that will be of value to legal scholars

criminologists and other social scientists with interests in housing urban studies and contemporary forms of regulation

Rent and its Discontents Neil Gray, 2018-09-16 The 1915 Rent Strikes in Glasgow along with similar campaigns across the UK catalysed rent restrictions and eventually public housing as a right with a legacy of progressive improvement in UK housing through the central decades of the 20th century With the decimation of social housing and the resurgence of a profoundly exploitative private housing market the contemporary political economy of housing now shares many distressing features with the situation one hundred years ago Starting with a re appraisal of the Rent Strikes this book asks what housing campaigners can learn today from a proven organisational victory for the working class A series of investigative accounts from scholar activists and housing campaign groups across the UK charts the diverse aims tactics and strategies of current urban resistance seeking to make a vital contribution to the contemporary housing question in a time of crisis

International Perspectives on Homelessness Valerie Polakow, Cindy Guillea, 2001-08-30 Homelessness strikes in all types of nations from wealthy western nations to poor undeveloped countries Each government and culture attends to this worldwide problem differently This work collects eleven case studies of selected countries from around the world in order to offer a wide perspective on the dilemma of homelessness Students can use this ready reference to compare and contrast homelessness populations analyze the ways in which various countries approach this issue and to evaluate what is precluding and encouraging this reaching issue The problem of homelessness is clearly defined here from a global perspective In addition the history and resulting conflicts that have risen from homelessness are outlined This ready reference analyzes the metamorphosis of the homelessness what solutions have been suggested and how effective these solutions have been Students will learn to think critically about homelessness and what the future holds for each country as it battles with this seemingly unavoidable occurrence
